## FORM INSTRUCTIONS

### ❖ NO CHANGE IN OWNERS

1. Complete this form to match ownership information on the last title issued. At least one owner or security interest holder listed on DMV records must sign line 16 or 17.
2. Find the title fee at OregonDMV.com
3. Submit form and fee to DMV.

If renewing registration, complete an Application for Registration, Form 735-268, and submit it with registration fees.

### ❖ ANY OWNERSHIP CHANGE

The application process will depend on whether or not an odometer disclosure is required.

An odometer disclosure IS REQUIRED when the vehicle:

- Was originally manufactured with an odometer; and
- Is 2011 or newer (except if it is over 20 years old); and
- Has a gross vehicle weight rating of 16,000 or less.

When **all** owners are changing **and** an odometer disclosure is required, you **cannot** replace the current title and transfer the title to a new owner at the same time.

1. Follow steps for “No Change in Owners” section above. The new owner’s address can be used as the one-time-mailing address if the title needs to be mailed to the new owner.

Once the new title is received, to transfer the title to new owner(s):

2. Previous owner and new owner complete the odometer disclosure on the back of the title or a Secure Odometer Disclosure/Reassignment, Form 735-403A, if the previous owners are not available to disclose odometer on the title.
3. New owner, complete an Application for Title and Registration, Form 735-226.
4. Submit forms, releases from all previous owners and security interest holders, title, and fees to DMV.

**If an odometer disclosure IS NOT required, you do not need this form. You must:**

1. Complete an Application for Title and Registration, Form 735-226, and mark the box in the Certification section to let DMV know the title was lost, destroyed, or mutilated.
2. Submit the form with releases from all previous owners and any other requirements.
