

Oregon Energy Code Stakeholder Panel to hold Virtual Workgroup for Oregon Reach Code December 2

We are continuing work to achieve directives included in Governor Brown's [Executive Order 20-04](#) by convening monthly stakeholder meetings to discuss energy code development and inform our code consultation to Oregon's Building Codes Division.

This meeting will be held remotely via [Webex](#) on December 2, 2020 from 1:30-3:00 pm. The meeting will be held as a working group, focused on a future Oregon Reach Code and:

- Provide a forum for stakeholders to discuss and align proposals among themselves
- Serve as an opportunity for questions and feedback from BCD/ODOE
