

Free Driver Ed for Young Adults with Foster Care Experience

If you experienced Foster Care as an older teen (age 14+ and had at least 180 days of foster care after age 13), Driver Ed may be free for you. Oregon Department of Human Services has funding to pay the costs of your driver education class. You can pick any APPROVED provider and your caseworker or ILP Provider will make the arrangements.

Why Driver Ed?

- Young people who complete the Oregon Department of Transportation (ODOT) approved Driver Ed course have a 21% lower crash rate than young people who don't.
- Young people who take Driver Ed have a 57% lower rate of traffic convictions and can save up to 15% on car insurance.
- Young people who complete an ODOT approved Driver Ed course get to waive the Oregon DMV driver test to get their license.
