

You're invited!

The Medicaid Advisory Committee's Advancing Consumer Experience subcommittee wants to hear from you. Speak up at a listening session with the Oregon Department of Human Services (ODHS) about the Agency with Choice program.

ODHS is putting the program into place because of a new state law.

ODHS staff will share how the new law affects long term services and supports (LTSS). They will also talk about early plans the agency has for making changes because of the new law.

We want to hear from you. How will these changes affect the services you or a loved one receive? What recommendations do you have for ODHS as they make changes to the program to comply with the new law?

Join us on Tuesday, May 21, 2024, from 11:45 a.m. to 12:25 p.m. on Zoom.
