## Data Notes:

- <sup>1</sup> Participant counts are based on unique combinations of person, role (patient, caregiver, grower) and mailing address county. If one person is the caregiver for three patients and has a mailing county of Multnomah on all three patient applications, he or she would be counted once as a caregiver in Multnomah County. If one person is a caregiver for three patients and has Multnomah as a mailing address on one patient application and Clackamas on the other two patient applications, he or she would be counted once as a caregiver in Multnomah County, and once as a caregiver in Clackamas County. Growsite address counts are based on unique addresses (street address and county). If one address is designated as the growsite for three patients, it will be counted once. If a participant or growsite does not have a county designated, it will not be counted.
- <sup>2</sup> Conditions are not mutually exclusive; one patient may report one or more conditions.
- <sup>3</sup> Count may include duplicate patients if a patient has both active cards and a pending renewal application.
- <sup>4</sup> OMMP application fee types and current amounts are as follows:
- “No Reduced Fee”: No reduced fee proof is submitted with the application. Fee is **\$200**.
  - “SNAP”: Acceptable Oregon Supplemental Nutrition Assistance Program proof is submitted with the application. Fee is **\$60**.
  - “OHP”: Acceptable Oregon Health Plan proof is submitted with the application. Fee is **\$50**.
  - “SSI”: Acceptable Supplemental Security Income proof is submitted with the application. Fee is **\$20**.
  - “VET”: Acceptable proof of either service connected compensation from the Veteran’s Administration (“VA”) based on a finding of 100% service connected disability or receipt of a needs-based pension from the VA as described in OAR 333-008-0020 is submitted with the application. Fee is **\$20**.
- <sup>5</sup> Counts are of applications received with application fees.
