November 19, 2020

STIPULATED SETTLEMENT AGREEMENTS FOR LICENSE APPLICANTS

1. Cravingcave, LLC
Adrian Gonzalez Hernandez,
Managing Member
dba **CRAVINGCAVE**
2345 Ashland Street #205
Ashland, OR 97520

(Application for a Full-On
Premises Sales License)

ORS 471.313 states, in pertinent part:

The Commission may refuse to license any applicant under the provisions of this chapter if the Commission has reasonable ground to believe that any of the following to be true:

****(4)(d) That the applicant has been convicted of violating a general or local law of this state or another state, or of violating a federal law, if the conviction is substantially related to the fitness and ability of the applicant to lawfully carry out activities under the license.

Commission staff proposed to issue the requested Full On-Premises Sales license with the following restrictions:

Licensee Adrian Gonzalez Hernandez shall not be convicted of driving while suspended, driving uninsured, operating a vehicle without driving privileges, driving in violation of restrictions, or a similar conviction, in the State of Oregon or any other state.

Note: Licensee was issued a Notice of Proposed License Restrictions, dated October 13, 2020. Licensee accepts the imposition of the listed restriction and wishes to dispose of this licensing matter by settlement.

SYNOPSIS: Since 2015, Applicant has been convicted of seven motor vehicle violations. In the absence of a restriction, the violations would provide a basis for denial of the F-COM application. Under the proposed settlement agreement, Applicant agrees to accept a restriction on the license, stating that Applicant will not be convicted of driving while suspended, driving uninsured, operating a vehicle without driving privileges, driving in violation of restrictions, or a similar conviction, in the State of Oregon or in any other state.

TERMS OF AGREEMENT

1. The Commission will issue Applicant a Full On-Premises Sales license with the listed restriction for the above location after this agreement is ratified and after Staff determine that the application is complete.

(continue **CRAVINGCAVE**)

2. Applicant accepts the imposition of the listed restriction on the license identified in this agreement without any conditions or reservations.
3. Applicant waives any and all rights to a contested case hearing under the Administrative Procedures Act (ORS Chapter 183), to judicial review, and to otherwise challenge this agreement or the Final Order resulting from it.
4. This agreement is conditioned on the final approval of the Oregon Liquor Control Commission and will be reviewed by the Commissioners at a commission meeting. If the Commission does not accept and approve this agreement in its entirety, it is deemed null and void, and Applicant's hearing rights, if any, will be restored. If the Commission accepts and approves this agreement in its entirety, Applicant withdraws any request for hearing.
