

Oregon Wildfire & Electric Collaborative Workshop #3

Wed., March 10, 2021

1pm-4:30pm

Zoom Meeting

Adapting Utility Vegetation Management Programs and Fostering Stronger Relationships with Land Managers

Agenda

- 1:00 pm Welcome and Overview
- 1:10 pm Panel #1: Utility Perspective on Adapting Vegetation Management Programs
- Holly Harwood, Federal Lands Liaison, and Chuck Sheppard, Manager of Vegetation Management and Forestry, Bonneville Power Administration
 - Brian King, Director of T&D Environmental & Vegetation Management, Pacific Power
 - Keith Brooks, General Manager, Douglas Electric
- 2:10 pm Break (10 Minutes)
- 2:20 pm Panel #2: Agency Perspectives on Effective Vegetation Management Partnerships
- Tom Fields, Fire Prevention Coordinator, Oregon Department of Forestry
 - Teresa Trulock, Regional Special Projects Manager, US Forest Service
 - Dustin Wharton, OR/WA Lands Section Chief, US Bureau of Land Management
- 3:40 pm Breakout Session
- What did you hear in the panels that you think will improve the efficiency and efficacy of utility vegetation management programs?
 - What didn't you hear that you think utilities and land managers need to prioritize going forward?
- 4:20 pm Closing Remarks
