

Electric Utility Wildfire Mitigation Plans 2023 – Public Utility Commission of Oregon

Senate Bill 762 (2021) <https://olis.oregonlegislature.gov/liz/2021R1/SB0762/Enrolled>

SB 762 is a comprehensive, omnibus wildfire bill that establishes new electric utility system mandates to identify and assist in mitigating wildfire risks. Sections 1 – 6 impact electric systems and the PUC directly and indirectly.

Sections 3 – 5 focuses on requiring both investor-owned utilities (IOUs) and consumer-owned utilities (COUs) to operate under a risk-based wildfire protection plans. The IOUs must submit plans annually to the PUC for review and approval. The COUs must submit copies to the PUC of their wildfire mitigation plans once they have been approved by their governing body.
