- Up to \$300 to qualified customers per year
- Funded by:
 - Customers
 - Shareholders
 - Private donations

Receive up to
\$300
to help pay your energy bills

Project Share has been providing energy assistance for Idaho Power customers since **1982**.

If you find yourself **behind on your energy bills**, and fall within income guidelines, Project Share may be able to help. Project Share is a local assistance program that helps our neighbors in need with their energy bills by providing a **one-time payment of up to \$300** per household.
