## APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

*Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.*

### I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Crook, Deschutes and Jefferson Counties in the State of Oregon.

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

- Age: Applicant shall be at least seventeen (17) years of age and may not be registered until they are eighteen (18) years of age.
- Education: Applicant shall be a high school graduate or have a GED Certificate of Equivalency.
- Physical: None
- Testing: None
- Other: None

Note: See Section X, #6

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

**THE SPONSOR HEREBY ADOPTS:**

"The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex, color, religion, national origin, age, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Oregon State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations."

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. Application Notice and Schedule
  - a. The committee will establish a reasonable period of at least 2 weeks for accepting applications for admission to the apprenticeship program.
  - b. Public notice of at least 30 days will be given in advance of the earliest date for application. The notice will establish the date, time, and place applications will be accepted, list the minimum qualifications for the program and provide a general description and duties of the occupation.
  - c. Application information will be disseminated according to the committee's affirmative action plan.

### 3. Application Process

- a. Applications will be provided to all interested individuals at a specified central location within the sponsor's geographical jurisdiction as noted in opening announcement.
- b. Prior to receiving an application, each applicant will sign the "Applicant Log" which will identify all applications by a log number that corresponds to the application number.
- c. All applications must be returned on or before the specified deadline; completed applications will be date stamped when received.

### 4. Verification of Minimum Qualifications

All applications and supporting documentation will be reviewed for minimum qualifications.

### 5. Non-qualified Applicants

Applicants who do not meet the minimum qualifications will be notified in writing; notification will include the reason for rejection, the requirements for admission to the eligibility pool and the appeal rights available to the applicant.

### 6. Pool of Eligibles

- a. Qualifying applicants shall be interviewed by the sponsor, then scored and ranked based on the point system detailed on the attached list. These individuals will then be placed in a pool of eligibles in rank order and retained on the list for a period of 2 years.
- b. Point ties, if any, will be decided by a random drawing which shall be by an impartial person selected by the sponsor but not associated with the administration of the apprenticeship program.
- c. Individuals may be removed from the pool at an earlier date by their request or following their failure to respond to an apprentice job assignment provided through the placement process.

### 7. Placement Process

#### a. Ready for Employment Pool:

- i. In January of each year the committee will work with its assigned apprenticeship representative to review registration information for the previous five years and determine the average number of annual apprentice indentures. The Ready for Employment Pool for the year will be adjusted if needed to equal 20% of the annual indenture average.
  - ii. Individuals will be placed in the Ready for Employment Pool in order of their rank in the Ranked Pool of Eligibles and issued an employer selection form.
  - iii. An employer may select one individual from the Ready for Employment Pool by signing the employer selection form.
  - iv. The employer's next new apprentice must come from the top of the Ready for Employment Pool. The employer may then select additional apprentices by alternating between selecting any individual from the Ready for Employment Pool and the top individual on the Ready for Employment Pool.
  - v. When the Ready for Employment Pool falls to one-half of the 20% annual indenture average the committee may replenish the pool by moving the next group of applicants from the top of the Ranked Pool of Eligibles to the Ready for Employment Pool.
  - vi. Training agents will have the first opportunity to indenture current employees when they reach the top of the eligibility list.
- b. Individuals in the Ready for Employment Pool may refuse one (1) employment referral. This refusal option must occur within the 24-hour period of being notified of the available

position. The employment notice shall be sent by US Mail, Certified with a Return Receipt Requested. A second (2) refusal shall cause the applicant to be removed from the pool of eligibles and notified in accordance with the committee's initial employment policy. An applicant removed for this reason is not eligible to reapply until the next open enrollment period.

- c. Upon written request, the committee will restore to the bottom of the ranked pool of eligibles an applicant who has been removed from the pool at his/her request, provided the individual had not previously been removed and returned to the pool.
- d. Upon written request, the committee will restore to the bottom of the ranked pool of eligibles an applicant who has been removed for failure to respond to an employment opportunity, provided the individual had not previously been removed and returned to the pool.
- e. Employers (Training Agents) must notify the sponsor of any employment offer made to an applicant referred to them from the pool of eligibles. The notice must be made within the business day the offer was made and may be submitted by phone, fax or mail.

#### EXCEPTIONS:

##### 2. EXPERIENCED APPRENTICE

Experienced apprentices who gained their experience in a registered Plumber program and has completed their initial probation period during the preceding 4 years shall be permitted to enter this program, as far as practical, and pick up their training where they left off instead of entering as beginning apprentices. They must provide documentation meeting the current minimum qualifications, may have no disciplinary action pending, and may not have been terminated from an apprenticeship program for cause. The applicant will be placed at the bottom of the out of work list.

##### 3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice Plumber under ORS Chapter 660 for at least two years prior to seeking entry or re-entry into the apprenticeship program, the employer may select as his/her initial apprentices, without going to the pool, those bona fide employees who have been on his/her payroll for at least three months (400 hours of employment) prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the trade or craft. Once the initial selection of apprentices has been made, the employer is thereafter restricted to a selection from applicants in the pool of eligibles established by the sponsor which has jurisdiction in this area.

##### 10. SMALL EMPLOYER-FAMILY MEMBER:

- a. Provided that the use of this exception will not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, a family member, as defined below, who meets the minimum requirements for entry into the apprenticeship program, may be directly indentured by the committee and placed with a family business as defined herein, subject to the consent of the applicant, so long as the addition of the apprentice would result in no more than three individuals being employed by the training agent in the occupation (Employed as applied in this exception is understood to mean all individuals working in the occupation).
- b. Training agents using this exception may not employ more than one apprentice at any time.
  1. "Family business" means a business owned in whole or in part by a parent or

grandparent of the applicant and has been in business under the same owners for at least one year.

2. "Family member" means the son, daughter, grandchild, or spouse of the family business owner and does not include minor children placed in the care of foster care parents certified by the Department of Human Services.

**B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:**

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

5.

1: DISSEMINATE INFORMATION

Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

2: PARTICIPATE IN ANNUAL WORKSHOPS

Participate in annual workshops to familiarize educators, career counselors, employment service representatives, and other appropriate personnel with apprenticeship in general as well as current opportunities.

3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP

Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.

4: INTERNAL COMMUNICATION

Communicate the equal opportunity policy in a manner to foster understanding,

acceptance and support among the committee's members, training agents, and apprentices and to encourage those people to take the action necessary to meet the committee's affirmative action commitments.

5: OUTREACH

Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

10: PREVENT ILLEGAL DISCRIMINATION

Take other appropriate action to ensure that decisions regarding recruitment, selection, employment, and training of apprentices are job-related and without illegal discrimination because of race, color, religion, national origin, disability, age, or sex.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
  - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
  - b. The equal employment opportunity plan has not been followed; or
  - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.
3. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.

3. The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. (See ORS 660.137 (4))
4. When the apprentice is granted advanced standing, the employer must pay the apprentice at the appropriate wage per the wage progression schedule specified in these standards. (See ORS 660.142)

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be 7,700 hours of employment.

#### V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. (The registration agency recommends that this not exceed twenty percent (20%) (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))

(See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice to the first one (1) licensed journey-level plumber in full employment for the first two apprentices on the job and in the shop . Additional apprentices are authorized at a ratio of one (1) apprentice for each additional three (3) licensed journey-level plumbers . Shop is defined as the training agent's workforce . (See ORS 660.126 (f))

**VII. APPRENTICE WAGES and WAGE PROGRESSION:**

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))

(See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

#### XI. COMMITTEE – RESPONSIBILITIES AND COMPOSITION:

The following is an overview of the requirements associated with administering an apprenticeship committee and/or program. These provisions are to be used in conjunction with the corresponding ORS and/or OAR.

1. The committee is the policymaking and administrative body responsible for the operation and success of this Apprenticeship program.
2. The committee is responsible for the day-to-day operation of the apprenticeship program and must be knowledgeable in the application of Chapter 660 ORS, OAR 839 division 011 and other law and rule as appropriate to the occupation(s).
