

P007

*Payroll Time Capture – Entered Pay Types By Day --
Summary*

SCREEN PURPOSE

The P007 Payroll Time Capture – Entered Pay Types by Day – Summary, an inquiry only screen, displays the time entered on the P004 Time Capture. OSPA maintains time records for the current and three prior months.

ALSO KNOWN AS

PREREQUISITES, IF ANY

OSPA must have calculated the forecast during preliminary run 1, or the employee must have time entered on the P003 or P004 Time Capture screens.

SCREEN ACCESS KEY SEQUENCE

You do not need to log onto CICS to access the P007:

- a. On the DAS mainframe menu, type E23 and press [ENTER].
- b. Press [PAUSE] to clear the screen.
- c. Type P007 and press [ENTER].
- d. On the P007, fill in the SSN/EMPLOYEE ID, AGENCY/CCJ, and PAY PERIOD MONTH and press [ENTER].

SSN: social security number (#####) of the employee for whom you want to view time. Do not enter the hyphens. Enter any leading zeroes. Either the SSN or EMPLOYEE ID is required.

EMPLOYEE ID: OR##### of the employee for whom you want to view time. Either the SSN or EMPLOYEE ID is required.

AGENCY = OSPA agency number (#####). Required.

CCJ = concurrent job number (#, 1-9). Optional. The records on this screen are concurrent job specific. If you do not enter a number, OSPA will default to 1.

PAY PERIOD MONTH: MM / YY. Optional. OSPA will default to the current pay period. You may inquire for the current and three prior months.

SUPPORTING DOCUMENTATION

OSPA SCREEN INTERACTIONS

Affected By

Forecast – For salaried employees, OSPA will display the forecast of the hours the employees should have worked after preliminary run 1. OSPA uses the employee's full or part-time status and percent and the employee's work schedule to make the forecast.

P004 Time Capture – For On-line Daily Time, the P004 Time Capture gives the employee the functionality to enter time and attendance for a specific day. The P007 summarizes the time entered on the P004 by day and TYPE.
