

Oregon MCO/MMIS 2008 Provider Training Schedule

Revised 4/9/08

Morning training sessions will be offered at all locations from 8-12 for the MCO training agenda. In addition, Kaiser will have an afternoon session from 1-5 to cover the Fee for Service (FFS) training agenda. Depending on need, we may add afternoon sessions to the other locations for a repeat of the MCO training agenda.

Participants at the next MCO/MMIS Workgroup meeting will be asked to identify and commit to how many people they plan to send to each of the training sessions.
