The Oregon Disabilities Commission (ODC) is a Governor-appointed commission housed in the Department of Human Services (DHS). The commission is charged by state statute to advise the Governor, the Legislature and appropriate state agency

administrators on issues related to achieving full economic, social, legal and political equity for individuals with disabilities. ODC also acts as a coordinating link between and among public and private organizations serving individuals with disabilities.

Reasonable accommodations will be provided as needed for individuals requesting assistive hearing devices, sign language interpreters or large-print materials. Individuals needing these types of accommodations should call DHS at 1-800-282-8096 at least 48 hours before the meeting.
