

## CROSS CONNECTION ADVISORY BOARD

**ATTN:** Please forward nominations for the unnamed public advisory board position to the advisory board care of Ronald.A.Hall@state.or.us .

Include contact and brief background information to support interest and qualifications for this appointment. This position should be a true "general public" person without direct ties to the industry, perhaps a customer of a water system with basic knowledge of the issues or experience working with a board, council or committee.

The current 9-member advisory board members and positions are:
