

# Multnomah County Diabetes Coalition

**Interested in learning about how you can help people living with diabetes in your community?**

**Want to join forces with others who care about diabetes?**

The mission of the **Multnomah County Diabetes Coalition** is to improve the health of all people in Multnomah County, with special emphasis on diabetes through policy, awareness, prevention and treatment that is culturally appropriate and accessible.

Coalition members include community members as well as representatives from a variety of chronic disease-related health and social service agencies and organizations in Multnomah County.

Members meet monthly to exchange information, coordinate ongoing activities and address current and local diabetes-related issues.

For more information, contact Carrie Washburn Beck at 971-673-0984 or [carrie.l.washburn@state.or.us](mailto:carrie.l.washburn@state.or.us)

**We invite you to join us at our next meeting!**
