

Please complete the 4-page CLIA application form CMS-116 after reviewing the information regarding clinical laboratory testing. Laboratories performing moderate and/or high complexity tests must also complete the 'Director Qualification Appraisal' form and submit with the CLIA application. Please note that the individual designated as laboratory director assumes full responsibility and legal liability for all laboratory testing conducted under the authority of the CLIA certificate issued.

Mailing address for **Oregon only** laboratories:

Laboratory Compliance and Quality Assurance
PO Box 275
Portland, OR 97207-0275

For laboratories **NOT LOCATED IN OREGON**: Please go to the following link, and locate your state's CLIA Office address. Then mail your forms there:
