

OTAC Meeting schedule for 2009

The ORELAP Technical Advisory Committee (OTAC) now meets on the second Thursday of even-numbered months, 10:00 am to 12:00 pm.

Meeting locations are rotated between a Portland laboratory meeting site and Salem's Willow Lake Treatment Plant meeting rooms.

Schedule for 2009:

2/12/09	Willow Lake WWTP
4/09/09	Test America
6/11/09	Willow Lake WWTP
8/13/09	Test America
10/15/09	Willow Lake WWTP
12/10/09	Test America

Guests at ORELAP Technical Advisory Committee meetings:

- Persons who are not members of the ORELAP Technical Advisory Committee (OTAC) and who are not ORELAP program staff are welcome to attend OTAC meetings as guests.
- Guests are welcome to participate in OTAC meetings, identify issues, and provide comments and feedback during the Committee's discussions and deliberations.
- Guests can not participate in any official votes of the ORELAP Technical Advisory Committee.
- Guests may contact the current [OTAC Chair](#) for information on Committee meeting schedules and up-coming agendas.
