

Oregon Vital Events Registration System

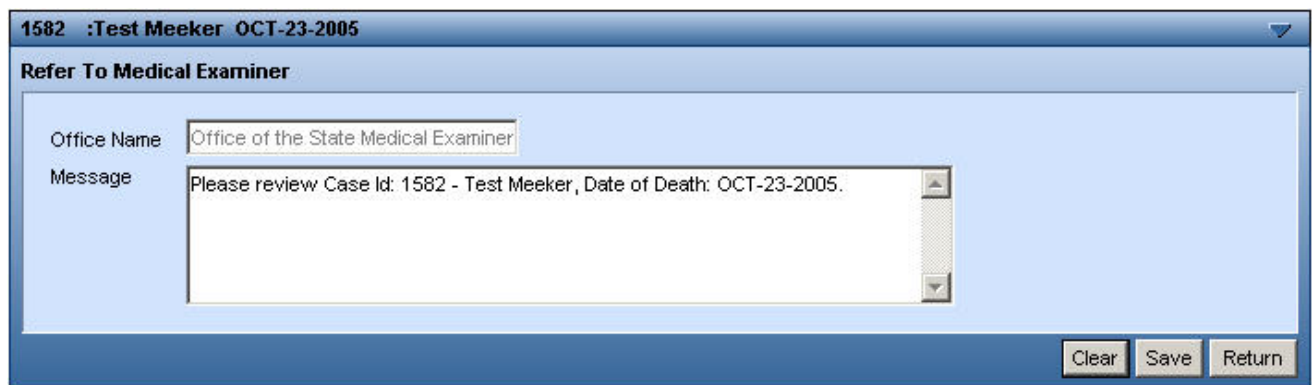

[Refer to Medical Examiner](#)

Access to the [Refer to Medical Examiner](#) page is dependent upon user's security privileges. Typically, funeral directors and medical examiners have access to this page.

The purpose of the [Refer to Medical Examiner](#) page is to notify a medical examiner of a death that was due or may have been due to unnatural causes.

From the [Death Registration Menu](#), select [Other Links](#), [Refer to Medical Examiner](#).

The [Message](#) field will be pre-filled with the information similar to that shown below, depending on the application's system preference values for messages. This information can be changed or deleted and replaced entirely.

1582 :Test Meeker OCT-23-2005

Refer To Medical Examiner

Office Name: Office of the State Medical Examiner
