EXPEDITED MEDICAID PAYMENT – JANUARY 2009

Dear Administrator,

The Department of Human Services (DHS) has made a decision to offer an expedited payment to nursing facilities for January 2009 dates of service.

In order to receive an expedited payment for January 2009, you must have an authorized facility representative complete the attached request form and submit it to DHS. The amount of the expedited payment will be calculated using one of the following methods:

1. The estimated payment will be based on the amount you received in October 2008, or
2. If you have had an increase or decrease in census or expenses since October 2008, or if you have had a claims process and only need a partial payment, you can fill in the amount you want to request from DHS.

Note: You must submit claims for the January 2009 dates of service. DHS will recoup the amount of the expedited payment from subsequent claims submit and paid in the replacement MMIS.

If you have any questions about this process, please contact Terry Layman at (503) 945-6501 or Dave Allm at (503) 945-6407.
