General information

Oregon Petroleum Load Fee quarterly returns must be filed quarterly to report the number of loads of petroleum products withdrawn or imported in Oregon [Oregon Revised Statutes (ORS) 465.104 to 465.131].

Your return, and payment of the fee, is due on or before the last day of the month following the end of each quarter.

Penalty. A penalty is imposed if you mail your return and pay the fee after the due date. The penalty is 5 percent of the unpaid fee. If you file your return more than three months after the due date, an additional penalty of 20 percent of the unpaid fee is due.

Interest. Interest is imposed on any unpaid fee from the due date until the date payment in full is received. The current interest rate is 9 percent annually.

Final return: If this business is disposed of or closed, a "Final Return" must be filed immediately and the tax due must be paid. Write "Final Return" across the top of your return.
