

Ratio procedures manual—table of contents

| | | | |
|---|--|---|-----|
| Foreword | Purpose, users, and results | Market area codes and maintenance | 3-4 |
| Section 1 | Introduction | Conclusion..... | 3-5 |
| Section 2 | Timelines | Section 4: Sales data collection, listings, and standard formats | |
| Section 3 | Property classification | Sales data year | 4-1 |
| Section 4 | Sales data collection, listings, and standard formats | Market data sources | 4-1 |
| Section 5 | Sales transaction analysis | Sales database | 4-1 |
| Section 6 | Adjustment for time | Property (sale) identification | 4-1 |
| Section 7 | Statistical analysis | Standard data format..... | 4-1 |
| Section 8 | Manufactured structure sales | Database fields..... | 4-2 |
| Section 9 | Additional analysis | Sales listing data | 4-3 |
| Section 10 | Preparing the ratio study | Sales listing format..... | 4-3 |
| Section 11 | Toolbox | Statistical data | 4-3 |
| Section 12 | Glossary | Sales data collection flow chart | 4-4 |
| Section 13 | Index | Section 5: Sales transaction analysis | |
| Section 14 | Appendix | Sales confirmation | 5-1 |
| Foreword: Purpose, users, results | | Methods of confirmation..... | 5-1 |
| Section 1: Introduction | | Sales questionnaire letter..... | 5-1 |
| Introduction | 1-1 | What other deductions should be noted? | 5-1 |
| Statutes and administrative rules | 1-1 | Telephone contact..... | 5-2 |
| Basic steps to complete a ratio study..... | 1-2 | Personal interview | 5-2 |
| Section 2: Timelines | | Consideration (\$) from instrument..... | 5-2 |
| Sales collection year | 2-1 | Analysis of individual sales..... | 5-2 |
| Ratio study year..... | 2-1 | General acceptance of sales..... | 5-2 |
| Calendar of assessment and taxation procedures: Section 14..... | 2-1 | Identifying sales as usable or unusable | 5-2 |
| Section 3: Property classification | | Sales data condition (reject) codes | 5-4 |
| Description | 3-1 | Examples of sale confirmation letters | 5-5 |
| Multi-account sales | 3-1 | Section 6: Adjustment for time | |
| Basic property classes | 3-1 | Purpose | 6-1 |
| Market areas..... | 3-4 | Types of trends..... | 6-1 |
| Market area boundaries..... | 3-4 | Time trend analysis | 6-1 |
| Ratio studies and the market area | 3-4 | Methods of ratio trend analysis..... | 6-2 |
| | | I. Adjusting individual sales | 6-2 |
| | | Adjustment table, adjusting the selected ratio..... | 6-3 |
| | | Mid-point ratio table..... | 6-3 |

Table of contents

| | | | |
|---|------|--|-------|
| II. Regression analysis | 6-4 | Summary of central tendencies | 7-12 |
| III. Double sale/comparable sales analysis | 6-5 | Additional analysis of central tendencies— validity | 7-12 |
| Example of time trend/scatter graph..... | 6-7 | Reliability, measure of..... | 7-13 |
| Trend line chart..... | 6-8 | Weighting, examples..... | 7-16 |
| Mid-point ratio graph..... | 6-9 | | |
| Graph example: Linear, curvilinear, seasonal | 6-10 | | |
| Section 7: Statistical analysis | | Section 8: Manufactured structure sales | |
| Computing ratios, central tendencies, array analysis | 7-1 | Definitions and guidelines..... | 8-1 |
| Sampling..... | 7-1 | ORS reference, excerpts | 8-1 |
| Frequency distribution, examples..... | 7-2 | Ratio array examples | 8-2 |
| Measuring RMV levels | 7-3 | Section 9: Additional analysis | |
| Central tendencies..... | 7-4 | Examples, appraisal ratio studies | 9-1 |
| Median, central tendency, measure of RMV | 7-4 | Straddle study..... | 9-1 |
| Average absolute deviation (AAD) | 7-5 | Section 10: Preparing the ratio study | |
| Coefficient of dispersion (COD) uniformity measure..... | 7-6 | Preparing the ratio study | 10-1 |
| COD standards | 7-6 | Ratio study format | 10-1 |
| Mean, central tendency, measure of RMV | 7-6 | Section 11: Toolbox | |
| Standard deviation..... | 7-7 | I. Statistical notation..... | 11-1 |
| Standard deviation diagram..... | 7-7 | II. Curvilinear regression analysis, example | 11-12 |
| Coefficient of variation (COV) uniformity measure..... | 7-9 | Section 12: Glossary | |
| Weighted mean, central tendency, measure of RMV | 7-9 | Section 13: Index | |
| Price related differential (PRD), vertical equity ... | 7-10 | Section 14: Appendix | |
| Other measures of central tendency, geometric mean, mode | 7-11 | Roster of data analysts, statewide..... | 14-2 |
| | | Directory of Property Tax Division contacts..... | 14-9 |
| | | Calendar of assessment and taxation procedures | 14-11 |
| | | State map | 14-19 |
