

Your alternative care benefit

If your plan includes an alternative care benefit, your per-visit charge and annual benefit maximum are shown on your benefit summary. The benefit covers visits for chiropractic care, acupuncture, naturopathic care, and massage therapy. The amount you pay for visits to alternative care providers varies by the type of service.

You may choose from among more than 700 alternative care providers throughout our service area.* You don't need a referral from us to get care. When you need alternative care, just choose a provider from the list provided here or at **kp.org**, and call for an appointment.

Pay your provider directly. If the provider orders X-rays, you pay the same charges you'd pay at our facility.

Limitations and exclusions

Some services are not covered even if ordered by the provider. Exclusions and limitations apply even if your plan covers the service when it is ordered by a participating physician.

These are the major limitations and exclusions of the alternative care benefit. For more information, see your *Evidence of Coverage* or contact Membership Services.

Limitations

Alternative care coverage is limited to the annual benefit maximum shown on your benefit summary. You pay 100 percent of charges after you reach this limit.

Exclusions

The following are not covered:

- Care or service from a provider who is not part of the network of participating providers.
- Cosmetic, herbal, and dietary supplements and drugs.
- Devices, appliances, prosthetics, durable medical equipment, and supplies.
- Educational programs and nonmedical self-care that are beyond the normal scope of treatment.
- Health and beauty classes, aids, and equipment.
- Intradermal needles and disposable needles that are not approved by the Food and Drug Administration.
- Lab tests.
- Physical exams, vocational rehabilitation, and care for work-related injury and illness.
- Preventive care (except for massage therapy).

- Proctology and obstetrics/gynecology care and minor surgery (except when provided by a participating naturopath).
- Thermography, hair analysis, and heavy metal and mineral screenings.

Membership Services

If you have questions or need help, call Membership Services. We're available 8 a.m. to 6 p.m., Monday through Friday. You may also sign on to **kp.org** and e-mail us.

Participating alternative care providers

To be covered by your benefit, you must get care from a provider who is located in our service area and part of a Complementary Healthcare Plan (CHP) network.

This list includes all participating alternative care providers as of November 2008 and is subject to change. When you call for an appointment, confirm your provider's participation before you get care.

*If added to an Added Choice plan, members may use their benefits at CHP, PPO, and Non-Participating providers and facilities. The amount an Added Choice member pays is based on the provider chosen.
