

OREGON INVASIVE SPECIES COUNCIL MEETING

24–25 JUNE 2009

Port of Portland
121 NW Everett Street
Portland, OR 97209
(503) 944-7000 [Port of Portland phone number]

AGENDA

Meeting Objectives and Expected Work Products

A meeting report for the Oregon Invasive Species Council (OISC) that captures the discussion and perspectives of members that includes areas of agreement and areas where a significant diversity of views exists. Determine next steps following the legislative session, review business plan action items to discuss what has been achieved and what needs to be completed, receive updates on a variety of OISC projects, adopt guidelines for OISC letters of support/endorsement, learn about PRISM and the Willamette Model Watershed Program and ways these programs can intersect with Council priorities, discuss potential next steps to focus on firewood as a vector, discuss the pros and cons of sterile butterfly bush, and receive Council updates.

24 June 2009

- | | |
