

APPENDIX C PPE Requirements for Oregon US&R

The individual is responsible for each mandatory item unless the department carries a supply for all members.

Full protective clothing is required for personnel as referenced in OR-OSHA rules. All gear must be in compliance with NFPA 1976 and applicable OR-OSHA standards.

Personal Equipment

The following items are required:

- 1) Food and water for 48 hours
Note: Logistical support may not be readily available during the initial operations of mobilizations.
- 2) Flashlight or helmet light with extra batteries
- 3) Sleeping bag
- 4) Certificate of minimum training signed by fire chief
- 5) Medical information card including emergency contact information, allergies, current medications, physician's name and phone number

Note: The following items are recommended for each person unless the team leader is carrying a supply for each member of the team. Gear and supplies are required for seven days.

- | | |
