

## PERS Employer Service Center (ESC) Account Representative Regions

Each ESC account representative is responsible for PERS-participating employers in a specific region of the state.

Account representatives and their region of responsibility are listed below.  
**Your ESC account representative is available to you throughout the entire work day.**  
You may contact your ESC account representative by phone or by e-mail.

Dial your representative direct at their personal number, or follow these instructions to contact your ESC representative, toll-free (be sure you have your representative's extension before you begin. The extension is the last four digits of your representative's phone number, from the list below):

- 1) Dial 1-888-320-7377;
- 2) Wait for the third option (“...If you know the extension of the person you are calling, or to access the company directory...”) and press 3;
- 3) At the prompt, enter the last four digits of your account representative's phone number, then press the “#” key.
- 4) Leave a voice mail message if your account representative doesn't answer.
