

Oregon Public Utility Commission AR 518 Staff Workshop

Agenda

February 5, 2009

9:30 a.m. to 3:00 p.m.

Main Hearing Room, First Floor

Public Utility Commission, 550 Capitol Street NE, Salem, Oregon

Six ports have been reserved to call into the workshop

503-365-4439, pass code: 6782#

1. Staff's response to informal comments submitted by PGE and PacifiCorp on draft rules on alternative compliance payments (ACP – rates and uses) and calculation methods for determining the incremental cost of compliance
2. Other parties' responses to these draft rules and utilities' informal comments
3. ACP and incremental cost rules for electricity service suppliers

If time allows, parties also will discuss the following:

4. Staff's proposed implementation plan rule
5. Staff's proposed compliance reporting rule
