MEMORANDUM

July 17, 2024

To: Management-Labor Advisory Committee (MLAC)

From: Matt West, Interim Administrator

Subject: Managed Care Organizations quarterly reports - Bulletin 247

During the June 6, 2024, MLAC meeting, members of the committee asked about the accessibility of managed care organization (MCO) providers. The Workers' Compensation Division (WCD) obtains data from each active, certified MCO, that provides some useful information addressing this question.

WCD requires each MCO to file quarterly reports identifying many types of panel providers. The form of, and requirements for, these reports are set forth in WCD [Bulletin 247](#). The most recent MCO reports are available for the first quarter of 2024, and are attached.
