Apologies

UAS Insurance Requirement

Funds for UAS Dev

- **Rationale**
 - Need a way to pay for digital infrastructure to support UAS operations.
 - Not AIP eligible.
 - Supported by stakeholders.
 - Public use UAS exempted.
 - For policies that are Oregon based.

National Leader

AAM Multi-state Collaborative

- **Meeting in the Dalles**
 - What is it?
 - Co-hosted by ODAV and Washington Aviation. Co-sponsored by Business Oregon and Washington Department of Commerce.
 - Most successful meeting to date. 18 states represented in person, 28 states total, 45 attendees.
 - Companies represented include Zipline, Joby, Wisk, Archer, Beta, Sagetech and others.
 - Work on AAM consensus papers.

Conferences

Influencing Policy

- **Speaking engagements**
 - PNW Economic Region Summit in Canada- one day trip.
 - Topic of discussion- AAM
 - Audience included Oregon legislators.
 - FAA Symposium
 - Community Engagement
 - Connected with FAA and had discussions about some potential exciting opportunities in Oregon with the idea of bringing along the region.

Updates

All the rest

- **Oakridge Funding**
 - EDA in process.
 - Connect Oregon in process.
- **Strategic Plan**
 - Planning on kicking off in September.

THANK YOU!
