ARTICLE 1 - RECOGNITION AND STATUS OF AGREEMENT

Section A.

This Agreement is between the Mid-Valley Bargaining Council of the Oregon Education Association on behalf of the State Teachers Education Association, hereinafter referred to as the Council or Association, and the Oregon Department of Administrative Services, hereinafter referred to as the Employer, on behalf of the Oregon Department of Education, hereinafter referred to as the Agency, for the Oregon School for the Deaf.

Section B.

The Employer recognizes the Council as the exclusive bargaining representative of all unclassified teachers at the School for the Deaf, except supervisory, confidential, managerial, substitute, and exempt employees.

Section C.

This Agreement sets forth the basic and full agreement between the parties on those matters pertaining to wages, hours, terms, and other conditions of employment.

Section D.

1. This Agreement takes effect upon final acceptance by both sides and expires on June 30, 2025. This Agreement shall not be opened during the term of this Agreement except by mutual agreement of the parties, by proper use of Article 1, Section F or as otherwise specified in this Agreement.
2. Notwithstanding Section D.1 of this Article, the Employer or the Association may elect to reopen this Agreement by written notice to the other party between the dates of February 1 through February 28, 2025 for the express purpose of negotiating a successor agreement. Parties agree to meet in 2024 for a limited mid-term reopener on select non-economic language issues.
3. The Parties agree to a one-hundred and twenty (120) calendar day period of bargaining. At the initiation of either party on or after June 1, 2025, there may be a joint request for mediation. [Article 14 \(No Strike/No Lockout\)](#) of this Agreement shall not apply after exhaustion of the dispute resolution procedures outlined in ORS 243.712 through 243.726.

Section E. Maintenance of Standards.

This Agreement shall not be interpreted or applied to deprive teachers of professional advantages and responsibilities.

1. Professionalism. Teachers shall be treated as professionals: As such, all appropriate Oregon Revised Statutes, rules, rights, and regulations that pertain to licensed teachers shall apply.
2. During the life of this contract all existing conditions of employment in mandatory subjects of bargaining shall be maintained, subject to the following:
 - a. In the event that management in its discretion determines that changes (not inconsistent with any other term of this agreement) in said conditions of employment are necessary or appropriate for purposes of program delivery or more efficient services, management shall provide the Association with written notice of the same.
 - b. In the event such notice is provided, the Association shall have fifteen (15) days to demand good faith bargaining over said changes.

- c. Both sides shall bargain in good faith over the proposed change for ninety (90) calendar days from the first bargaining meeting. At the option of either party, the dispute shall be submitted to advisory arbitration provided the arbitrator must agree to render her/his decision within said ninety (90) day period.
- d. In the event management makes a final decision on the disputed change which is not agreeable to the Association, the parties shall have all the options available for resolving their dispute provided by law under ORS 243.698 including unilateral implementation and the right to strike (notwithstanding any other provision of the Agreement).

Section F.

If any provision of this Agreement is held to be invalid by operation of Federal or State law, or by any court of record, or by the Employment Relations Board, or if compliance with or enforcement of any provision should be restrained by any such court, the remainder of the agreement shall not be affected thereby and, upon request of either the Oregon Department of Administrative Services or the Association, the parties shall enter into negotiations within a reasonable period of time.

Section G.

In order to facilitate communication between the parties and to promote cooperative employer-employee relations, the Agency and MVBC/STEA agree to form a joint Labor/Management Committee which shall, subject to having an agenda for a meeting, meet at least six (6) times (per calendar year) to discuss matters of mutual concern. However, if there are no agreed upon agenda items, the meeting will be cancelled.

The Committee shall be composed of up to four (4) members appointed by the Association and up to four (4) members appointed by the Agency. Representatives from the Labor Relations Unit, the Association, or other individuals may be invited, who may provide information or act as advisors.

Meeting agendas shall be prepared in advance. Items for inclusion on an agenda shall be provided to all members in advance of the scheduled meeting. The parties shall attempt to compile a mutually agreeable agenda which will include notice of invited guest.

Committee meetings shall be conducted in good faith. The parties shall alternate responsibility for chairing the meetings; the chair shall be responsible for preparation and distribution of meeting minutes. Decision-making shall be by consensus.

The Committee shall have no power to contravene any provision of this Agreement, nor to enter into any Letter of Agreement; negotiate, or to resolve disputes concerning the interpretation or application of any provision of this Agreement. The Committee shall be empowered to make joint recommendations on issues which are brought before it. Such recommendations approved by the Committee shall be presented to the Agency (or other appropriate designee) and the Council for response and/or action. Such recommendations are not binding on the Department of Education or Council, but rather are advisory and are to be considered in good faith by the Agency and the Council. The response shall be in writing and shall be submitted to the Committee and all concerned parties. No discussion or review of any matter by the Committee shall forfeit or affect the time frames of the settlement or dispute procedures ([Article 13 - Grievance Procedure](#)).

At the conclusion of each calendar year, the parties shall discuss the Committee concept and shall determine whether to continue, modify or terminate it.

Upon request, the Employer shall make available to the Association at cost any bargaining unit teacher statistical and expenditure data relative to employment and benefits which is possible to produce, although not normally produced, by the Employer. Data that are not normally produced, but possible to produce, include manual or machine editing of existing reports to remove confidential data or data on non-bargaining unit employees or data or reports that require new development.

The Agency shall furnish monthly to the Association a list of new teachers hired into positions represented by the Association. The list shall contain the name, classification, date of employment, transfer if known, and work sites of the new teachers.

Section B.

Teachers covered by the Agreement are at all times entitled to act through an Association representative in taking any action or following any procedure under this Agreement.

This amount shall be equivalent to the full, regular dues (including STEA, OEA, and NEA) paid by the Association members and deducted from the teacher's paycheck.

Section B.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Agency and the Association shall meet to negotiate the impact on bargaining unit members. The Agency's obligation to discuss the impact of such contracting does not obligate it to secure the agreement of the Association or to exhaust the dispute resolution procedure of ORS 243.712, 243.722 or 243.742, concerning the decision or the impact.

Section C.

If the decision will result in contracting out, the Employer will:

1. Offer the teacher placement in OSD program run by the Agency in an available vacant position for which he/she is qualified, as determined by the Agency, and such placement is not in violation of another collective bargaining Agreement; or
2. Should the contractor be agreeable and need the services of the teacher, place the teacher with the contractor; or

If, after initial review, a comprehensive investigation is undertaken, the teacher shall be given first opportunity to provide information he/she deems relevant. The Agency will provide the teacher with updates on the status of the non-criminal complaint every ten (10) school days and the disposition of the non-criminal complaint within a reasonable amount of time.
2. If the teacher has reason to believe that such a discussion might adversely affect his/her employment, he/she shall have the right to have a representative of his/her choice present for that discussion. If the parties deem that further interaction with the complainant could result in additional complaints, they shall have the option of removing the complainant from the classroom, or place the teacher on leave with pay status until the determination of the pre-suspension hearing.
3. If the Agency chooses to remove the accused teacher from his/her work assignment during the investigation, the teacher may be assigned other duties without loss of pay.
4. If discipline action is taken, the Agency must comply with the Discipline Section A.
5. A copy of the written report of the results of the Agency investigation shall be provided to the teacher and to any involved party at the teacher's request, except material confidential under either state or federal laws.

Section C. Student Evaluation.

Within the systems and standards adopted by the school, the teacher shall have the authority and responsibility to determine the individual grades and other evaluations of students within his/her classes. No grade or evaluations shall be changed without consultation with the teacher except when such consultation is not practicable because of the absence of one (1) or both parties. If a grade is changed and the teacher disagrees with the changed grade, the teacher can attach a written explanation of his/her reason for the grade he/she assigned to the student.

Section D. Non Discrimination.

1. If the Supervising Teacher, designee or School Director are not available, the grievance shall be submitted to a staff person in the administration office to be date stamped as received and, upon request, a copy of the date stamped grievance will be provided to the Association. Such grievance shall be filed on the Official Statement of Grievance Form (Appendix C). The Supervising Teacher or designee shall respond within fifteen (15) calendar days after receipt of the grievance. Any grievance alleging violation of Subsection D.1 of this Article shall not be arbitrable.
 - b. Discrimination grievances may be submitted by the Union or the aggrieved to the Bureau of Labor and Industries or the EEOC for resolution.
 - c. If a grievance alleging unlawful discrimination based on Association membership is not satisfactorily resolved, the teacher or the Association may file a complaint with the Employment Relations Board.

Section E.

Teachers shall use materials that are consistent with Agency Program Guidelines and Agency Content Standards. All criticism of materials, etc., will be handled by referral to the Supervising Teacher. Where the Supervising Teacher determines there may be merit to the criticism, the Supervising Teacher will conduct a review of the materials including but not limited to consulting with the involved teacher prior to making a decision.

2. Layoff Order.
 - a. When current teachers cannot be transferred to other positions for which they are qualified or may be trained for within the bargaining unit, the Agency shall lay off teachers in the inverse order of seniority (least service, first released; longest service, last released) subject to the following: (a) Retained teachers shall be currently licensed for the position available; (b) less than full time teachers shall not displace teachers holding a position with greater full time equivalency.
 - b. Computation of service credits shall be as follows:
 - (1) Credit one (1) point for each full month of unbroken service (except as a temporary appointee) within the Agency and classification.
 - (2) Unpaid leaves of less than six (6) months and educational leaves of up to a year shall be counted in-service credit.
 - (3) A break in service is a separation or interruption of employment without pay of more than one (1) year, unless the break is due to layoff status.
3. Layoff Benefits. The Agency shall permit the teacher to continue his/her insurance benefits on a self-pay basis as prescribed by Consolidated Omnibus Budget Reconciliation Act (1986) (COBRA).

Section B. Recall.

1. Recall Rights.
 - a. For a period of twenty-seven (27) months any teacher laid off or choosing to accept a non-teaching position under this Section shall have the right of recall to any teaching position created or vacated for which he/she is qualified and appropriately licensed, and/or eligible for a Restricted license. Continued employment is subject to conditions of the Restricted license.
 - b. When a teacher is laid off because of being separated from State service per Section A.1.d(3) of this Article, moving expenses will be paid once by the Agency. (In other words, moving expenses will be reimbursed only when that teacher has, in fact, left State service and is called back from the layoff list to a location over fifty (50) miles from the original campus or camp.) Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion or return from a layoff list.
2. Recall Order. Teachers shall be recalled in inverse order of layoff (last released, first recalled; first released, last recalled) consistent with Section B.1.a.
3. Notice.
 - a. Notice of an offer of recall shall be by telephone or certified mail to the teacher's mailing address officially registered with the Agency. The teacher shall indicate acceptance of recall within five (5) working days of receiving the offer of recall.

- b. Refusal by the teacher to accept an offer of recall to a particular position during the twenty-seven (27) month recall period shall not affect the teacher's rights to be offered recall for subsequent positions.

Section C. Displacement.

Any teacher displaced by another teacher exercising options under Section A.1.d.(1) and (2) may also exercise any option available under Section A.1.d.

ARTICLE 13 - TRIAL SERVICE

Section A.

Each teacher appointed to a position in the bargaining unit by initial appointment or promotion shall, with each appointment, serve a trial service period.

Section B.

The trial service period is recognized as an extension of the selection process and is the time immediately following appointment. Full-time teachers employed by the Agency before or during the 2014-2015 school year shall have a trial service period of nine (9) full teaching months. Teachers who are employed after the end of the 2014-2015 school year shall have trial service period not to exceed twenty-seven (27) full consecutive and full teaching months.

Section C.

Trial service may be extended in instances where a trial service teacher has been on a cumulative leave without pay for fifteen (15) days or more and then only by the number of days the teacher was on such leave.

Section D.

When, in the judgment of the Appointing Authority, performance has been adequate to clearly demonstrate the competence and fitness of the trial service teacher, the Appointing Authority may, at any time, appoint the teacher to regular status.

Section E.

A trial service teacher may be removed from service when, in the judgment of the Appointing Authority, the teacher is unable or unwilling to perform his/her duties satisfactorily or his/her habits and dependability do not merit continuance in the service. Removals under this Article shall be well documented, including coaching if appropriate, but are not subject to the Grievance and Arbitration Procedure.

ARTICLE 14 - GRIEVANCE PROCEDURE

Section A. Definitions.

1. A "grievance" is a claim by a teacher, a group of teachers, or the Association based upon the interpretation, alleged inequitable application, or alleged violation of a term or condition of this Agreement. A claim of inequitable treatment affecting a teacher, a group of teachers, or the Association may be dealt with in accordance with [Article 3, Association Rights and Privileges](#), of this Agreement and Section C, herein.
2. Aggrieved Person - the person or persons or the Association making the claim.

3. Party in Interest - the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

Section B. Rights of Teachers to Representation.

Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by a representative selected or approved by the Association. The Association shall have the right to be present and to state its view at all stages of the grievance procedure.

Section C. Grievance Processing.

1. Step 1. Grievances shall be initiated within thirty (30) calendar days of the time the aggrieved or the Association knows or by reasonable diligence should have known of the alleged grievance. Grievances shall be reduced in writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation sufficient to allow processing of the grievance. Grievances shall be submitted on the form identified as the Official Statement of Grievance Form (Appendix C). Teachers shall informally pursue resolution of the grievance with their immediate supervisor outside the bargaining unit during this time. The aggrieved, with or without the Association representation, shall submit the grievance to his/her immediate excluded educational supervisor. If the on-site supervisor is not the immediate educational supervisor then a grievance shall be submitted to both the educational supervisor and the on-site supervisor. The final decision shall rest with the educational supervisor within the time limits. The supervisor shall respond in writing within fourteen (14) calendar days from the receipt of the grievance, unless the grievance was filed prior to a scheduled vacation period, in this event, an extension may be requested, per Section C.6.
2. Step 2. If the grievance is not settled in Section C.1. (Step 1), the grievance shall be submitted to the Agency Head or designee in writing within fourteen (14) calendar days from the receipt of the supervisor's response. The Agency Head or designee shall respond in writing to the grievance within fourteen (14) calendar days from the receipt of the grievance.
3. Step 3. If the grievance is not resolved at the Agency (Step 2), the Association may file the grievance with the Labor Relations Unit of the Department of Administrative Services within fourteen (14) calendar days after receiving the response from the Agency. The Labor Relations Unit shall respond to the grievance within fourteen (14) calendar days.
4. If the grievance is not satisfactorily resolved in Section C.3. (Step 3), the Association may, except for grievances involving claims of unlawful discrimination, submit the issue to arbitration within fourteen (14) calendar days after receiving the response. However, by mutual agreement the parties may attempt to mediate the dispute. Additional articles will not be added to the grievance past the Labor Relations Unit Level (Step 3).
5. Arbitration.
 - a. The parties shall request a list of five (5) arbitrators from the Employment Relations Board and meet within five (5) working days, after the receipt of the list, to select an arbitrator by the method of alternately striking names. The coin toss will determine which side strikes first. Whichever side loses the coin toss will strike first.
 - b. Bench Awards.

- (1) If all of the Parties, including the arbitrator, agree, the arbitrator shall, prior to the close of the hearing, render a bench award, stating the reasons for reaching that award.
 - (2) Such award and reasons therefore must be reduced to writing and mailed to the parties within seven (7) days from the close of the hearing.
 - c. When a bench decision will not be made, each party may submit a brief written summary of the issues raised at the hearing and arguments supporting its position within a mutually acceptable time period after the hearing. The arbitrator will be required to render an award within fifteen (15) calendar days, and to reduce his award to writing within thirty (30) calendar days after the close of the hearing and shall state the reasons for reaching that award.
 - d. The parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from, or change any of the terms of this Agreement.
 - e. The arbitrator's fee and expenses shall be equally shared by the parties.
6. Time Limits.
- a. Time limits specified in this procedure must be strictly observed, unless either party requests a specific extension of time, which, if agreed to, must be stipulated in writing and shall become part of the grievance record.
 - b. If at any step of the grievance procedure the Employer fails to issue a response within the time limits set forth in this Article, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn and it cannot be resubmitted. Time limits referred to in this Article, as per Section C.6(a), may be waived by mutual agreement in writing.
 - c. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure within the school calendar (i.e., vacation periods), and if left unresolved until school resumes could result in irreparable harm to a party of interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the interruption.
7. Any time spent by a teacher required to attend meetings during regular working hours with the supervisor, Agency Head or designee or other appropriate persons to investigate the grievance, shall be considered as work time.
8. The parties agree to meet personally or through authorized representatives at reasonable intervals and at reasonable times and places at the request of either party for the purpose of discussing employment relations and problems.

Section D. Group Grievance.

If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Agency Head or designee directly and the processing of such grievance shall be commenced at Section C.2 (Step 2). The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

If a grievance arises from action or inaction on the part of a member of the administration at a level above the immediate supervisor, the aggrieved will submit such grievance in writing to the Agency Head or designee directly and the processing of such

grievance will be commenced at Section C.2 (Step 2). The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

Section E. Reprisals.

No reprisals of any kind shall be taken by the teacher or any member of the Administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

Section F. Separate Grievance File.

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

ARTICLE 15 - NO STRIKE OR LOCKOUT

The Association agrees not to participate in or sanction any strike, slowdown, walkout, refusal to report to work or interruptions of work during the term of this Agreement. In the event of an unauthorized work stoppage the Association, upon request of the Employer, shall immediately advise in writing the involved bargaining unit teachers to return to work. The Employer will not lock out teachers as a consequence of a dispute arising during the period of this Agreement.

Pursuant to ORS 243.698, if bargaining takes place during the term of this Agreement over mandatory subjects, the Employer may exercise its right to unilaterally implement and the Association preserves its right to strike.

ARTICLE 16 - WORK YEAR

Section A.

1. The number of paid days in an individual teacher's contract will normally not exceed one hundred and ninety-two (192) days per academic year. Teachers new to the Agency shall work one hundred and ninety-three (193) days; such teachers will report to work one (1) work day before fall in-service for training and orientation. A resource list containing general topics of information and the person who is best suited to provide that information will be available at the orientation. The first two (2) duty days for a teacher hired after the school year begins shall be a non-teaching day for the purpose of training and orientation. The academic year may be extended for teachers, subject to legislatively approved funding and the teacher's agreement, not to exceed two hundred and twenty (220) days provided the following conditions are met or unless otherwise agreed by the parties:
 - a. Work year schedules may be individualized to meet specific program needs as identified by a teacher or management. Such individualized schedules (departures from the basic work year calendar) must be mutually agreed upon in writing by the teacher and the Agency prior to implementation. This should be done each year
 - b. The teacher receives, at the beginning of the school year, notice that he/she will have an extended school year with the exact number of days specified.
 - c. Payment for any work beyond one hundred and ninety-two (192) days shall be on a per diem basis of 1/192nd of annual salary.

2. The Association and any individual teacher shall have the right to submit calendar suggestions to the School Director by March 1 of each year.
3. The School Director shall employ a system for staff input on the calendar procedure which shall be returned to him/her by March 15.
4. Subject to the requirements of OAR 581-022-1620, the school year will normally be composed of one hundred and ninety-two (192) paid days for the teachers as follows:
 - a. One hundred and eighty-five (185) classroom and in-service days of which at least twelve (12) days shall be used for in-service, grading or IEP updating.
 - (1) Five (5) of the twelve (12) days shall be used for grading, (IEP updates) and non-student contact days as follows: One (1) grading day shall be scheduled to coincide with the twelfth (12th) week of each semester; one (1) IEP update day shall be scheduled at the end of each semester; and one (1) additional non-student contact day will be scheduled at administrative discretion during the school year. No meetings or professional development will be scheduled on grading days, IEP update days, or the one (1) non-student contact day. Of the twelve (12) days, two (2) days may be scheduled during the school year for staff development with topics to be determined by the supervisor. Staff may submit suggestions to the Agency on subjects that could be part of professional development training. These days are subject to the requirements of OAR 581-022-1620.
 - b. The administration will provide teachers with a minimum of four (4) consecutive hours of time during the in-service week at the beginning of the year during which no mandatory meetings or trainings will be scheduled.
 - c. Eight (8) holidays:
 - (1) Labor Day

 - (3) Thanksgiving
 - (4) Day immediately following Thanksgiving (Friday)
 - (5) Martin Luther King, Jr.'s Birthday
 - (6) Presidents Day
 - (7) Memorial Day
 - (8) Juneteenth on June 19th.
 - d. Teachers whose contracts are extended may receive other paid holiday(s) if such holidays fall during their contract extension.
 - e. When a holiday specified in this Article falls on Saturday, the preceding Friday shall be recognized as the holiday. When a holiday specified in this Article falls on Sunday, the following Monday shall be recognized as the holiday.
 - f. When Veterans Day falls on Tuesday or Wednesday, the holiday will be observed on the preceding Monday. When Veterans Day falls on Thursday, the holiday will be observed on the following Friday. In these instances, teachers will be required to work on the Tuesday, Wednesday, or Thursday and will work on November 11 without additional pay. Teachers will not work and will receive holiday pay for the Monday/Friday (whichever is applicable) designated as Veteran's Day. This provision shall only be effective upon similar agreements being signed between the Employer and Union for all other represented employees employed at the schools.

- g. With the consent of the immediate supervisor, teachers may choose to attend workshops, conferences, etc. on a non-contract day (including a Saturday), rather than the Statewide in-service day in October. The teacher will receive pay for the Statewide in-service day, but not additional pay for the non-contract day used.
- h. At any time, management may offer additional work days for teachers. Teachers who choose to accept these duties on a voluntary basis will be compensated at the per diem rate.

REV.: 2021,2023

ARTICLE 17 - WORK DAY

The work day shall consist of eight (8) hours with one-half (1/2) hour of this time for duty free lunch. The work day shall be eight (8) consecutive hours between the hours of 7 a.m. and 5 p.m.

With mutual consent of the teacher and supervisor, an exception to the starting and ending times, and/or number of hours in a day, may be altered, provided the work week does not exceed forty (40) hours.

It is not the intent of either party to modify current provisions or practices with respect to preparation time. Teachers who teach all periods of the school day, thereby foregoing the preparation period, shall be paid, in addition to regular teaching pay, the teacher's hourly rate for teaching during the preparation period.

At the School for the Deaf, teachers will be assigned a minimum of forty-five (45) consecutive minutes of daily preparation time within the student contact day. Teachers who are required by the Agency to give up part or all of the above-described preparation time shall be paid, in addition to regular teaching pay, a pro-rated amount of their hourly rate for the actual time spent on Agency-directed activities in lieu of the preparation time.

ARTICLE 18 - IN-SERVICE, EDUCATIONAL TRAINING AND DEVELOPMENT

Section A.

New teachers shall be provided orientation to the Agency and to their specific job functions within thirty (30) days of employment.

Section B.

Teachers who are directed to attend courses, whether during working hours or not, shall have all cost and travel allowances paid by the Agency. It is recognized that training cannot always be conducted at times convenient to all teachers involved. If a teacher is directed to attend a class or seminar beyond the teacher's regular daily work hours or work week, the teacher will receive his or her per diem pay for the actual time spent at the class or seminar. The scheduling of training sessions conducted by the Agency shall consider the personal circumstances of the teacher to be involved as far as is practicable and will provide affected teachers with five (5) working days advance notice of training if the training will be outside the teacher's normal working hours. Teachers will be provided professional training for which the Agency is budgeted. Notice of availability of conferences shall be posted sufficiently in advance to allow teachers to plan and apply for such opportunities.

Subject to operating requirements, teachers may be granted time off without loss of pay or benefits for classes or conferences related to the teacher's current classification or promotional opportunity, for which the Agency may pay tuition, fees and charges.

Where attendance must, due to operating requirements, be limited, such opportunities shall be distributed as equitably as possible among teachers requesting such opportunity.

Section C.

1. Teacher's requesting approval of in-service training days shall submit the request in writing to the immediate supervisor not less than five (5) working days prior to the date of the in-service training activity. Such request shall include the time, location, topic, sponsor, presenter, and relationship of the activity to the teaching assignment. Release of teachers for in-service training will be at the discretion of the supervisor. The supervisor will notify the requesting teacher of approval or disapproval (and the reason(s) for disapproval) in writing within two (2) working days of receipt of the request.
2. Costs shall be borne by the Agency in accordance with [Article 28, Travel Expenses](#).

Section D.

The Agency may allow time off with pay with the approval of the immediate supervisor to visit other schools. If a teacher is denied time for school visitations, he/she will be informed in writing regarding the reason for a denial of the visitation request.

Section E. Developmental Opportunities.

The Agency may provide developmental assignments and job rotation assignments. Teachers in these assignments retain their permanent position classification, remain on the Agency payroll, retain the representation status of their permanent positions while on the assignments, except for assignments in supervisory or confidential positions, and return to their permanent positions on completion of the assignments.

Teachers participating in developmental and job rotation assignments will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

Section F. Professional Memberships.

Upon request by a teacher, and subject to Agency budgetary constraints and operating requirements, the Agency may pay up to one hundred fifty dollars (\$150.00) per year for membership(s) in professional organization(s). Memberships must be related to the teacher's current work assignment.

ARTICLE 19 - TUITION REIMBURSEMENT

Section A.

To increase the quality of teaching, the Agency supports the principle of continuing education for teachers.

Section B.

Teachers wishing to attend credit or non-credit courses which they are not directed to attend, may apply in writing for approval to attend and be reimbursed for their actual tuition cost, exclusive of books and other expenses. Tuition reimbursement shall be conditional upon receipt of prior approval in writing from the Director. The Director shall have the discretion to approve or deny such requests based on budgeting and staffing needs of the Agency and relevance to the subject matter taught by the teacher.

Reimbursement will be made when satisfactory evidence of successful completion is submitted to the Director.

Section C.

The Agency, in conjunction with the Association, shall publish and disseminate materials describing special courses offered in the immediate area for teachers.

Section D.

1. To the extent prior approval to attend such courses or training and be reimbursed therefore is received, days used for professional development shall be considered regular days of employment with full salary and benefits for teachers, if it is during the employee's recognized work day. Accordingly, there will be paid release time to take classes as specified in this Article without any deductions for substitute costs.
2. If the teacher takes approved classes during times outside the work day, work year, or extended work year, then the teacher will not receive any additional salary for that time.

Section E.

The Agency will reimburse teachers for testing fees they incur to obtain specific certifications required by the Agency. To obtain reimbursement teachers must, after obtaining the certification, provide the Agency a copy of the certification and proof of testing fees paid. This Section does not apply to certifications teachers are required to have as a condition of employment either at the time of hire or within a specified period of time pursuant to the terms of hire.

ARTICLE 20 - STUDENT MANAGEMENT

Section A.

The Agency, and members of the Association, via the Labor-Management Committee, shall jointly develop recommendations for a written procedure for handling student discipline. Such procedure shall include:

1. Provision for an individual teacher's in-class expectations, rules, and plans for student management.
2. Provision for a teacher to remove a student from class who is disrupting the educational program and send the student to a location designated by the Supervising Teacher.
3. Provision for the supervisor or his/her designee to communicate with the teacher prior to returning the student to class.
4. When there is actual or threatened harassment or actual or threatened assault upon the person of the teacher and the student is removed from the classroom in order to seek a resolution to the situation, the student shall be returned to the classroom only after a face-to-face conference that includes at least the teacher, the student and the Supervising Teacher or his designee.
5. Provision for removing students from class when the supervisor or licensed professional designee is not available.

Section B.

Printed copies of these specific school procedures shall be distributed to school staff as procedures are revised. Lockdown procedures and the crisis plan will also be reviewed annually by the Safety Committee and Leadership Team. The school discipline procedure shall be reviewed by the licensed teaching staff annually.

Section C.

IEP information will be made available through Synergy and the Student Records Section of the School no later than the first (1st) day of school for students if available. If the information is not electronically available, teachers may obtain a paper copy of the IEP before students start school if the IEP is available.

Except for unforeseen student 'drop ins' and 'add/drop week', when the Student Records Section of the School receives approval for a student placement, the School will email all staff of the new student and the start date. Prior to students being assigned to a class, the administration shall notify appropriate teachers in writing, and within the limits of state and federal requirements for release of information, concerning students who have severe medical or emotional disorders or are identified as potentially hazardous to themselves or others. If the student is currently in class, the teacher will be notified of any new information reaching the administration.

Section D.

1. If a teacher suffers physical or verbal abuse from a student, the teacher will report the incident to his/her supervisor with a referral form, following the written procedure.
2. The supervisor shall take appropriate action as soon as possible.
3. The teacher shall be notified of the results of the referral of the incident and any discipline imposed by no more than five (5) working days. If the student must be reported to an outside agency because of the incident, the teacher will receive notification of that fact within five (5) working days. The teacher will not be disciplined for reporting the incident.

ARTICLE 21 - SAFETY AND HEALTH

Section A.

The Agency agrees to abide by standards of safety and health in accordance with the Oregon Safe Employment Act (ORS 654.001 to 654.295 and 654.991) and related Administrative Rules.

Section B.

Required equipment, proper safety devices and clothing shall be provided at no cost to the teacher by the Agency for all teachers engaged in work where such devices are required by the Act. Such equipment, where provided, must be used.

Section C.

Teachers may at any time submit written suggestions to their immediate supervisor and safety committee representatives concerning the maintenance of safe and secure working conditions. Upon receipt of such a suggestion an investigation shall be conducted and a mutually agreeable solution shall be reached.

Section D.

If a teacher claims that an assigned job, work area, vehicle or equipment is unsafe, or might endanger his/her health, or that of his/her students, and for that reason refuses to do the job or use the vehicle or equipment, the teacher shall give specific reason(s) in writing to his/her supervisor. The supervisor shall meet with the affected teacher(s) and a representative(s) of the Association as soon as practicable.

Pending determination, the teacher may be given related work elsewhere. If no related work is available the teacher may be placed on Miscellaneous Paid Leave.

Section E.

If, in the conduct of official duties, a teacher is exposed to serious communicable diseases which would require immunization against or testing, or if required by the Agency, the teacher shall be provided immunization against or testing for such communicable diseases without cost to the teacher and without deduction from accrued sick leave. Where immunization or testing shall prevent or help prevent such disease from occurring, teachers shall be granted accrued sick leave for the time off from work required for immunization or testing.

ARTICLE 22 - SICK LEAVE

Section A. Sick Leave with Pay.

Sick leave with pay for teachers shall be determined in the following manner:

1. Eligibility for sick leave with pay. Teachers shall be eligible for sick leave with pay immediately upon accrual.
2. Full time employees shall accrue seventy-two (72) hours of sick leave per school year at a rate of eight (8) hours per month for September through May. An additional twenty-four (24) hours shall be credited to each employee at the beginning of the school year. New full time employees shall accrue fifty-six (56) hours sick leave upon employment. Additional sick leave shall not accrue until after the fourth month of employment. Part time employees shall accrue sick leave on a pro rata basis. Sick leave not taken shall accumulate and may be used at a future time. The employee's sick leave balance shall be provided monthly and available on request.

Section B. Utilization of Sick Leave with Pay.

Teachers who have accrued sick leave shall be eligible for sick leave for any period of absence from employment during the applicable work year, which is due to the teacher's illness, bodily injury, disability resulting from pregnancy, necessity for medical or dental care, exposure to contagious disease, attendance upon members of the teacher's immediate family (teacher's parent, wife, husband, children, brother, sister, grandmother, grandfather, mother-in-law, father-in-law, daughter-in-law, son-in-law, or other member of the immediate household) where the teacher's presence is required because of illness or death in the immediate family of the teacher or the teacher's spouse. The Agency has the duty to require that the teacher make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the teacher's care. Certification of an attending physician or practitioner may be required by the Agency to support the teacher's claim for sick leave if the teacher is absent in excess of seven (7) consecutive days, or if the Agency has evidence that the teacher is abusing

sick leave privileges. The Agency may also require such certificate from a teacher to determine whether the teacher should be allowed to return to work where the Agency has reason to believe that the teacher's return to work would be a health hazard to either the teacher or to others. In cases of pregnancy, the Agency may require a certificate from the attending physician to determine if the teacher should be allowed to work.

* Definition of a member of the employee's immediate household includes where the person lives in the employee's home and whether the person is a legal dependent or the employee has legal custody of the person.

Section C. Sick Leave Without Pay.

After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the teacher for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the teacher is physically and/or mentally able to perform the duties of the position. After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness to any teacher upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year must be approved by the Agency and the administrator. The Agency or the administrator may require that the teacher submit a certificate from the attending physician or practitioner in verification of disability resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the teacher. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that teacher from the performance of duties, such sick leave may be canceled and the teacher's service terminated.

Section D. Restoration of Sick Leave Credit.

Teachers who have been separated from the State service and return to a position (except as temporary teachers) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section E.

A teacher shall have all of his/her accrued sick leave credits transferred when the teacher is transferred to a different State agency.

Section F. Workers' Compensation Payment.

Salary paid for a period of sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall be equal to the difference between the Workers' Compensation for lost time and the teacher's regular salary rate. The teacher may elect to use or not use sick leave.

If the teacher elects to use sick leave, prorated charges will be made against accrued sick leave.

ARTICLE 23 - PAID LEAVES OF ABSENCE

In addition to all other types of leave, teachers shall be entitled to the following leaves of absence with full pay and benefits:

Section A. Types of Leave.

1.

- a. **Personal Leave Days.** After the completion of six (6) months of service with the Agency, regular, permanent, full-time teachers shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year. Part-time teachers shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work provided if it is anticipated that they will work one thousand forty (1,040) hours for the fiscal year. Should a part-time teacher fail to work one thousand forty (1,040) hours for the fiscal year, the value of personal leave time used may be recovered from the teacher. Personal leave shall not be cumulative from year to year. A teacher may use such leave for any purpose he/she desires, and may be taken at times mutually agreeable to the Agency and the teacher. One (1) day of personal leave may be used as an emergency day, limited to situations that require immediate attention by the teacher during a work day. Immediate notice by face to face meeting, phone or text must be given to a supervisor, or the supervisor's designee, before the teacher may leave the campus or worksite. Teachers will be compensated for unused personal leave days at the end of the school year at a rate of one hundred dollars (\$100) per unused eight (8) hour-day. Compensation for unused personal leave of less than eight (8) hours shall be on a pro-rata basis, for one (1) hour increments. Unused increments of less than one (1) hour will not be compensable.
- b. **Military Leave.** A teacher who has served with the State of Oregon or its counties, municipalities or other political subdivisions for six (6) months or more immediately preceding an application for military leave, and who is a member of the National Guard or of any reserve components of the armed forces of the United States is entitled to a leave of absence with pay for a period not exceeding fifteen (15) calendar days or eleven (11) workdays in any training year. If the training time for which the teacher is called to active duty is no longer than fifteen (15) calendar days, the teacher may be paid for the first fifteen (15) days only if such time is served for the purpose of discharging an obligation of annual active duty for training in the military reserve or National Guard.
- c. **Pre-retirement Counseling.**

 - (2) Teachers shall request the use of leave provided in this Article at least five (5) days prior to the intended date of use. Authorization for the use of pre-retirement counseling leave shall not be withheld unless the Agency determines that the use of such leave shall hinder the efficiency of the teacher's work unit.
 - (3) When the dates requested for pre-retirement counseling leave cannot be granted for the above reason, the Agency will work with the employee to find an alternate date.

2. Jury Duty. Service on a jury will be considered time worked.

Nothing precludes the Agency from verifying that inclement conditions exist.
 - b. This leave time is neither compensable upon separation from employment nor cumulative year to year.
 - c. The teacher must contact his/her immediate supervisor in the manner established by the Agency at least one (1) hour before the scheduled work day or delay in reporting to work.
 - d. Under no circumstances will a teacher be paid twice for the same hours.

ARTICLE 24 - UNPAID LEAVES OF ABSENCE

Section A. Additional Leaves Without Pay.

1. A permanent teacher may be granted a leave of absence without pay, for educational travel, or educational leave without pay for up to one (1) year (an extension may be granted). Any authorized leave of absence without pay does not constitute separation from State service. A teacher who is granted leave during their applicable work year shall have that year counted as a full year of experience on the salary schedule if the teacher has taught at least one half (1/2) of the work year.
2. A permanent teacher shall be granted leave of absence for involuntary military service, Peace Corps, ACTION, or VISTA Service. A permanent teacher shall be granted leave of absence for advanced study for the purpose of completing not less than forty-five (45) quarter hours of collegiate work. These teachers shall be returned at the step on the prevailing salary schedule that they would have attained had they not taken leave.
3. The Agency may grant leaves to teachers for the purpose of attending professional development workshops sponsored by the Association or an Association affiliate.

Section B.

Teachers on a leave of absence without pay of less than fifteen (15) calendar days shall continue to accrue and receive all benefits and protections under this Agreement. During such leaves which exceed fifteen (15) days in duration, the teacher shall not continue to accrue any benefits. Arrangements may be made with the Agency to defer upon the teacher the cost of group insurance benefits for the duration of such leaves. Such leaves shall be considered to be a break in service.

Section C. Military Leave Without Pay.

Leaves of absence without pay shall be granted all regular teachers who enter the military service of the United States. Such teachers shall be returned to State service in compliance with the Veteran's Reemployment Rights Law, Title 38, U.S.C. Chapter 43.

Section D. Peace Corps Leave Without Pay.

Upon completion of his/her service in the Peace Corps, a regular teacher shall have the right to return to a position in the same classification as his/her last held position

and return at the step on the prevailing salary schedule that they would have attained had they not taken leave, without loss of seniority or other teacher rights.

Section E. Court Appearance Leave Without Pay.

A teacher may request and shall be granted leave without pay for the time required to make an appearance as a plaintiff or defendant in a civil or criminal court proceeding that is not connected with the teacher's officially assigned duties.

ARTICLE 25 - COMPENSATION

Section A.

1. Effective December 1, 2023, Compensation Plan salary rates shall be increased by six and five tenths percent (6.5%). Effective January 1, 2025 Compensation Plan salary rates shall be increased by six and fifty five hundredths percent (6.55%)*.

*If the legislature appropriates new funding of at least thirteen million dollars (\$13,000,000) in calendar year 2024, the 2025 cost-of-living adjustment will be effective January 1, 2025. If the legislature does not appropriate at least thirteen million dollars (\$13,000,000) in calendar year 2024, the 2025 cost-of-living adjustment will be effective February 1, 2025.

2. Special Education Differential.

All employees shall receive a Special Education differential of five percent (5%) above their base rate of pay.

3. Teachers shall be awarded full credit for teaching experience in a public school or state-operated or state-supported education program to a maximum of fifteen (15) years. Any portion of a public school year beyond one hundred and forty (140) contract days shall be considered one (1) year of teaching experience.
4. From date of implementation of this contract, movement on the salary schedule, horizontally and vertically, shall be in accordance with experience and training as of the beginning of each applicable work year. Teachers not at the top of the salary schedule shall be eligible for a salary increase at the beginning of each applicable work year. Teachers shall be responsible for providing the necessary documentation by September 15 for consideration for salary adjustments due to additional education/training experience received.
5. Teachers shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in State service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.

Section B.

Lead work differential shall be defined as a differential for teachers who have been formally assigned by their supervisor, in writing, "lead work" duties over five (5) other teachers for fifteen (15) consecutive calendar days or longer. Lead work is where, on a recurring daily basis, the teacher has been directed to perform substantially all of the following functions: orient new teachers, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of teachers for conformance of standards.

The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

Section C.

Once each year and no later than August 1, each teacher shall have the opportunity to designate that he/she shall be paid in nine (9), ten (10), or twelve (12) regular monthly amounts.

Section D.

Teachers shall be paid not later than the first day of the month, when a payday occurs on Monday through Friday, payroll checks shall be released to teachers that day. When payday falls on a Saturday, Sunday or banking holiday, teacher's paychecks shall be made available after 1:00 p.m. on the last working day of the month. When a teacher is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the teacher has completed the "Request for Release of Payroll Check" Form AD20. However, the teacher may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that teacher and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate 10th of month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

During any month a teacher is not at the campus, checks shall be mailed on the regular pay date to the designated address of the teacher.

Section E.

Upon appropriate written request from the teacher, the State shall deduct from the salary of any teacher and make appropriate remittance for the following approved deductions:

REV: 2017, 2021,2023

ARTICLE 27 - PERS

Section A. Public Employees Retirement System ("PERS") Members.

For purposes of this Article, PERS participating member is an employee who has established membership in PERS (Tier 1, Tier 2, or OPSRP) and who is presently employed in a qualifying position.

Section B. PERS Participating Member Contributions.

Effective February 1, 2019, Compensation Plan salary rates for PERS participating members were increased by six and ninety-five one-hundredths percent (6.95%) and the Stated ceased "picking up" the six percent (6%) employee contribution to their PERS account or Individual Account Program ("IAP") account, as applicable, on behalf of such member, pursuant to a reduction of the member's compensation under ORS 238A.335(2)(a) and OAR 459-009-0200(3). No PERS participating member will have an option to receive any part of that six percent (6%) contribution directly, as cash or otherwise. The intent of the Parties is for the employee contributions described under this Section to qualify for treatment as Employer contributions under Section 414(H)(2) of the Internal Revenue Code and to be included in members' salary and defined by ORS 238.005(26) and ORS 238A.005(17).

Section C.

The Parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 ("PERS Litigation"). The Parties acknowledge that

challenges have been or may be filed that contest the legislation enacted by the 2019 Legislative Assembly, including SB 1049. Nothing in this Agreement shall constitute a waiver of any party's rights, claims or defenses with respect to the above.

REV: 2019

Section B.

Teachers unable to report due to verified inclement weather conditions may be authorized to use personal leave, leave without pay, or the floating day as provided in [Article 23.A.5](#) (Paid Leaves of Absence) during the period in which the teacher's work is curtailed due to the inclement weather or hazardous conditions.

Section C.

Teachers who arrive for work and are unable to leave because of verified hazardous road conditions resulting from inclement weather or road closures shall be allowed to stay inside a building.

ARTICLE 30 - DONATED LEAVE

Section A.

This Article shall apply for the purpose of allowing bargaining unit members to donate accrued personal leave for use by other eligible bargaining unit members as sick leave. The Agency will allow STEA-represented employees to make donations of accrued personal leave, not to exceed the hours necessary to cover for the qualifying absence as provided in this Article, to a co-worker in the STEA bargaining unit. Donated personal leave shall retain its status as not cumulative from year to year.

Section B.

For purposes of this Agreement, donated leave donations will be administered under the following stipulations and terms of this Agreement and shall be strictly enforced with no exceptions:

1. The recipient and donor must be regular status employees of the Agency and members of the STEA bargaining unit.
2. The Employer and the Agency shall not assume any tax liabilities that would otherwise accrue to this employee.
3. Use of donated leave shall be consistent with those provisions found in [Article 22 \(Sick Leave\)](#).
4. Applications for donated leave shall be in writing, sent to the Agency's Human Resources Manager and accompanied by a treating physician's written statement

When a situation exists that would otherwise curtail or close state offices, essential workers having to report to work, in-person, shall receive the Essential Worker Inclement Weather/Hazardous Conditions Pay differential.

The Essential Worker Inclement Weather/Hazardous Conditions Pay differential shall be three (\$3.00) dollars per hour for all hours worked on a designated closure or curtailment day, regardless of the starting or ending time of the designated closure or curtailment.

DAS or ODOT will determine if a closure would have occurred on a weekend and/or a holiday when state offices are otherwise closed.
