

Workday Wednesday 03/1/2023

- **Payroll & Time Tracking Update**
- **No Pay Group on additional jobs (job rotation and reclassifications) now auto assigns (2/17/23)* and auto assign of no pay group when seasonal goes off season.**
- **Workday, Inc. Issues:**
 - **iOS (iPhone) update this week now fixed – impacted users who updated their app 2/24, resolved**
 - **Job Alerts Unavailable, expecting update at 5 pm**
 - **Worker document view (limited issue), resolved**
- **Recommended Payslip View**
- **Poll – Should we remove time off balances from the Payslip?**
- **Enhancements/Update in progress/development**
- **General Reminders/Info**

***Reminder Business Process Changes impact future-initiated actions.**

Reminder: While we have these meetings open to all interested, it is important to remember that the ARC's (who are in many cases the agency's HR Director) must ensure this information gets disseminated throughout your agency as is appropriate.

Workday Wednesday 03/1/2023

- **Poll – Should we remove time off balances from the Payslip?**
