Feedback From Previous Meeting

Rule Section: 0225-Immunizations	RAC Feedback:	Response:
<p>A provider may provide care for children who are in foster care or experiencing homelessness while parents/guardians are taking necessary steps to comply with immunization requirements of the facility.</p>	<p>Suggest being inclusive to more situations and add children who are experiencing a change in guardian or permanent residence.</p>	<p>Accommodations for children experiencing homelessness and are in foster care, specific to immunizations, is a CCDF requirement. At this time we will not be altering the wording.</p> <p>We are researching options for OHA to provide additional training and technical assistance to providers regarding immunization reporting and exclusion guidelines.</p>
<p>Rule Section: 0255 – Record Retention</p>		
<p>The following records must be kept for one year:....After the initial creation for Program Records identified in OAR 414-210-0250....</p>	<p>The cross references are confusing. Is there any easier way to write this to locate what requirements this is referencing.</p>	<p>The wording in this section is still under revision to better clarify the requirement.</p> <p>CCLD will explore adding links within the online version of the rulebook when references to other OARS are used.</p>

* The wording changes listed above will be made in both Registered and Certified Rules*

Feedback From Previous Meeting

Rule Section: 0255 – Record Retention:	RAC Feedback:	Response:
Electronic records must be portable for use during an emergency evacuation.	Clarification needed on which records need to be portable in an emergency	The rule language has been clarified and will include: Child and caregiver records and current day's attendance (CF) and Children's records and daily attendance (RF)
Rule Section: 0260-Items Available for Review		
A provider must have the following items available in a prominent and frequently visited location for the parents and public to view: "A notice that custodial parents have access to all child care areas upon notifying the provider or caregiver of their presence during the hours of operation and without advance notice"	Can this be written to state only when their child is present? Can this be a required posting, not just in a binder?	The rule language will be updated and will include "during the hours their children are in care" The notice that is required to be posted contains the statement that custodial parents have access to all child care areas. So this will be posted and possibly a binder.
* The wording change listed above will be made in both Registered and Certified Rules*		

Feedback From Previous Meeting

Rule Section: 0310 Central Background Registry	RAC Feedback:	Response:
<p>Individuals 18 years of age and older that reside on the premises in living spaces other than the child care home (including, but not limited to, Accessory Dwelling Units (ADUs) or other Alternative Housing Units, tiny homes, recreation vehicles (RVs), trailers, garage apartments, etc.) are not required to enroll in the CBR if all of the following conditions are met:</p> <p>(a) Those residing in or visiting the living space are not suspended or have not been denied or removed for cause from the CBR.</p>	<p>Providers may not know if someone residing in or visiting the living space has been suspended or denied in the CBR.</p>	<p>Wording will be revised to read: (a) Those residing in or visiting the living space are not known by the provider to be suspended or to have been denied or removed for cause from the CBR.</p>

* The wording change listed above will be made in both Registered and Certified Rules*

Feedback From Previous Meeting

Rule Section: 0340-Duties and Qualifications of Assistants	RAC Feedback:	Response:
<p>Substitutes available through the Child Care Substitutes of Oregon (CCSO) may substitute as the provider, assistant II or assistant I without prior experience working at the certified family child care. An orientation (see OAR 414-360-0370(3)) must be completed prior to the individual serving as a substitute at the certified family child care.</p>	<p>This seems out of place in this section. Can this be moved under the provider section?</p>	<p>Yes! This rule has been moved and now is under the provider section.</p>
