Re: Issuance of Reopened and Significant Modification to a Title V Air Operating Permit  
DEQ Air Quality Permit No.: 26-1876-TV-01  
Application No.: 034117  
Multnomah County

### Greetings:

The Oregon Department of Environmental Quality (DEQ) has completed processing the application for a Reopened and Significant Modification to your Title V Air Operating Permit and has issued the enclosed permit. Based upon the material contained in the application, the additional submissions and comments made by you, and the comments received in response to the public notice, DEQ has issued the enclosed Title V Air Operating Permit's Reopened and Significant Modification.

The permit became effective the date it was signed. If you wish to appeal any of the conditions or limitations contained in the attached permit or if you have any questions, please contact Weston Li in our Portland office at (503) 229-5332 or at [Weston.Li@deq.oregon.gov](mailto:Weston.Li@deq.oregon.gov). If issues related to the permit conditions cannot be resolved to your satisfaction, you may request a hearing before the Environmental Quality Commission or its authorized representative. Any such requests shall be made in writing within 20 days of the date of this letter, and shall clearly specify which permit conditions are being challenged and why, including each alleged factual or legal objection. Permit conditions that are not contested shall be in effect upon the date the permit was signed under OAR 340-218-0220.

You are urged to carefully read the permit and take all possible steps to ensure compliance with the conditions established.

Sincerely,

*Joshua Alexander*
