## Executive Summary

The Drug Takeback Solutions Foundation’s (“Foundation”) Drug Take-Back Program Plan (“Approved Plan”) was approved by the Oregon Department of Environmental Quality (“the Department”) on June 4, 2021 pursuant to ORS 459A.200 to 459A.266 and related rules (the “Drug Take-Back Law”). The Approved Plan requires that the Foundation submit to the Department an Annual Report on the development, implementation and operation of the Drug Take-Back Program (“Program”) for the previous year. This Annual Report describes collection and outreach activity between July 1, 2021 and June 30, 2022 (“Reporting Period”) pursuant to ORS 459A.230. Capitalized terms used herein are the same as those used in the Approved Plan and the Drug Take-Back Law.

## List of Covered Manufacturers

*ORS 459A.230(1)(a) - A list of Covered Manufacturers participating in the Drug Take-back Program*

The following list of Covered Manufacturers were participating in the Foundation’s Plan during the Reporting Period.

Covered Manufacturer	Effective Date	Address
Ascend Laboratories	4/24/20	339 Jefferson Road, Suite 101, Parsippany, NJ 07054 USA
Hikma Pharmaceuticals USA	1/1/2021	200 Connell Drive, 4th Floor, Berkeley Heights, NJ 07922
Taro Pharmaceuticals U.S.A., Inc. (Sun Pharmaceutical Industries, Inc.)	1/1/2021	2 Independence Way, Princeton, NJ 08540
Avet - Heritage	8/31/2021	1 Tower Center Boulevard, Suite 1700, East Brunswick, NJ 08816
Camber	1/1/2022	1031 Centennial Ave., Piscataway, NJ 08854
Dr. Reddy’s Laboratories Inc.	1/1/2022	107 College Road East, Princeton, NJ 08540
Fosun Pharma USA Inc.	7/27/2021	104 Carnegie Center Drive, Suite 204, Princeton, NJ 08540
Lannett	1/1/2020	1101 C Avenue West, Seymour, IN 47274
Leading Pharma, LLC	12/7/2021	3 Oak Rd, Fairfield, NJ 07004
MicroLabs	1/1/2022	220 Davidson Ave, Suite 402, Somerset, NJ 08873
Mirum Pharmaceuticals	5/26/2022	950 Tower Lane, Suite 1050, Foster City, CA 94404
NextSource	1/1/2022	80 SW 8th Street, Suite 2660, Miami, FL 33130
Novadoz Pharmaceuticals, LLC	7/1/2021	20 DUKE ROAD, SUITE A, PISCATAWAY, NJ 08854-3714

Reese Pharmaceutical	1/1/2022	10617 Frank Avenue, Cleveland, OH 44106
Strides Pharma, Inc	4/1/2020	1 Ram Ridge Rd, Chestnut Ridge, NY 10977
TruPharma	9/10/2021	4100 W Kennedy Blvd, Suite 220, Tampa, FL 33609
Unichem Pharmaceuticals, USA	7/1/2021	One Tower Center Boulevard, Suite 2200, East Brunswick, NJ 08816
Westminster Pharmaceuticals	5/3/2022	3450 Buschwood Park Dr, Suite 110, Tampa, FL 33618

## Covered Drug Collection

ORS 459A.230(1)(b)-(c) - The total amount, by weight, of drugs collected under the Drug Take-back Program. The amount, by weight, of drugs collected under each method of collecting drugs under the Drug Take-back Program.

Type	#	Total Weight (pounds)
Kiosk Inner Liners	338	8,022.05
Mailers	468	160.48
Collection Events	5	342
Total Weight Collected	811	8,524.53

The Foundation partnered with nine Hospice locations and established them as Mail-Back Distribution Sites. During program year one 360 Mail-back envelopes were provided to these locations - this includes the fulfillment of 4 bulk order requests. Furthermore, the Foundation is currently working with Barb Hansen to set up and distribute mail-back envelopes to Hospice facilities across Oregon. Barb continues to reach out to the hospice centers that she works with to gauge interest and understand the feasibility of housing mail-back envelopes in each location. The Foundation intends to add mail-back envelopes to any facility that wants to participate and believes it is a need for their community.

Location Name	Mailers Provided
Willamette Valley Hospice	50
Housecall Providers Hospice	70
Providence Hospice East Office	20
Providence Hospice West Office	20
Providence Hospice Yamhill	120
Providence Hospice Halsey	20

Providence Hospice Hood River	20
Providence Hospice Medford	20
Legacy Hospice Srvs Portland	20
<b>Total</b>	<b>360</b>

## Collection Method Locations & Weight

*ORS 459A.230(1)(d)-(e) - The address of each Drop-off Site used under the Drug Take-Back Program. The total amount, by weight, of drugs collected at each Drop-off Site, presented in a manner that assists the department in determining the rate of use of each Drop-off Site*

Information regarding the list of Drop-off Sites and Mail-back Distribution Sites, as well as the weights collected from each of these sites can be found in "Appendix A - Drop-off Sites and Mail-back Distribution Site List".

All of the Foundation's Authorized Collectors were provided instructions on how to order auto-injector mail-back packages. This information is provided with the welcome package upon enrollment. All kiosks at every Drop-off site had signage that instructed Covered Entities on how to order auto-injector mail-back packages.

As part of the Foundation's enrollment process, and in accordance with the Foundation's approved Plan, a discussion was held with Authorized Collectors to determine each Drop-off site's need for and space availability for stocking auto-injector mail-back packages. As a result, the Foundation has not shipped any auto-injector mail-back packages to Authorized Collectors in program year one. However, as previously stated each Authorized Collector has been well informed and equipped with information on how to order auto-injector mail-back packages if the need arises.

In program year two, the Foundation has a plan to contact each Authorized Collector again to offer a stock of Auto-Injector Mail-Back Packages to be shipped to them at no cost.

## Collection Events

*ORS 459A.230(1)(f) - The date and location of each collection event held pursuant to ORS 459A.221 (Covered drug collection events)*

Location City	Address of Event	Date	Drugs Collected (lbs)
Gold Beach	29392 Ellensburg Ave, Gold Beach, OR 97444	4/9/22	67
Hines	101 E. Barnes Ave, Hines, OR 97738	4/8/22	4
Roseburg	2110 Frear St, Roseburg, OR 97471	4/23/22	255
Prairie City	133 SW Bridge St, Prairie City, OR 97869	4/22/22	16
Maupin	507 Grant Ave, Maupin, OR 97037	4/23/22	0

## Transporters and Disposal Facilities

ORS 459A.230(1)(g)-(h)- The method or methods used to transport drugs collected under the Drug Take-back Program. The disposal technologies or processes used pursuant to ORS 459A.224 (Disposal of Covered Drugs) and which facilities or incinerators were used.

Company Name	Contact Information	Registration Information
123 Compliant Logistics, LLC 2626 N 29th Avenue Phoenix, AZ 85009	Rory Buske 602-612-4140	DEA Reverse Distributor-Collector:  R90571264
123 Compliant Logistics, LLC 1888 M Street, Suite B Agawam, MA 01001*	Chris Ellis 480-695-2015	DEA Reverse Distributor-Collector: R90595946
Clean Harbors Aragonite 11600N. Aptus Rd. Aragonite, UT94029	Michael Marlow 435-884-8100	EPA ID: UTD981552177
Clean Harbors El Dorado, LLC 309 American Circle El Dorado, AR 71730	Dan Roblee 870-863-7173	EPA ID: ARD069748192
Veolia ES Technical Solutions, LLC 7665 Highway 73 Port Aurthur, TX 77640	David Michaelis 281-216-9618	EPA ID: TXD000838896
TransChem Environmental 542 East 27th Street Tucson, AZ 85713	520-829-5651	DOT Registration: 052119550060B Hazardous Materials Safety Permit: US-1341480-AZ-HMSP
USPS	Jackie Purcell 919-501-9394	
FedEx	Shane McAbee 800-469-9993	

\*The use of 123 Compliant Logistics, LLC at 1888 M Street, Suite B Agawam, MA 01001, was a temporary modification for reverse distribution receiving for Mailers and was a modification made in good faith by the Service Provider, 123 Compliant Logistics, and did not knowingly have a negative impact on the efficacy of the Plan. 123 Compliant Logistics, LLC will not be using this receiving facility in the future and notification to include this facility in the Plan on a permanent basis is not necessary.

## Safety or Security Concerns

*ORS 459A.230(1)(j) – Whether any safety or security problems occurred during the collection, transportation or disposal of drugs and, if a problem occurred, a summary of the occurrence and possible resolutions*

The Foundation submitted one safety and security notification to Oregon DEQ during the Reporting Period. The details are provided below.

- On March 9, 2022 a theft was reported at Safeway (350 E 40th Avenue, Eugene, OR 97405) wherein perpetrators removed the bag from the Kiosk containing unknown contents and left the store with the inner liner. A police report was filed with the Eugene Police Department. The Vandalism to the Kiosk also occurred in which the locking mechanism was bent off track but was successfully adjusted to normal operation by the Foundation’s Service Provider and verified by the Authorized Collector and DEQ was made aware within the 10 day notification period.
- The Foundation was notified in October 2021 of a potential issue by the Safeway Pharmacy operating as an Authorized Collector. The pharmacy noted that a large prescription bottle was wedged between the bin and the drop-door. This caused the drop-door not to close properly. The Foundation investigated the report and determined that this could pose a security risk. This can lead to the drop door being left open and vulnerable to theft. The Foundation was not satisfied with this security risk and made a voluntary decision to suspend service at the 121 kiosk locations that were manufactured by the same vendor.

In accordance with the law and the Foundation’s approved Plan, the Foundation proactively notified DEQ of the initial closing of the kiosk at Safeway Pharmacy #1525 on October 28, 2021 via telephone. At this time, the Foundation alerted DEQ that there was potential for further affected locations and that a review was being undertaken to assess the impact. On November 15th, 2021, the Foundation provided a letter further notifying and confirming that the Foundation was actively working to upgrade kiosk functionality at the Safeway Pharmacy #1525 location, as well as others, and would be retrofitting the impacted kiosks over the following weeks.

In summary, the Foundation upgraded 121 kiosks across Oregon between November 15th and February 18th at which time the Foundation sent a letter to DEQ notifying the agency of its completion of the retrofitting and the reopening of all impacted kiosks. Temporarily suspending the use of these sites did not substantially adversely affect the Foundation’s ability to meet the convenience standard and the Foundation provided, at no cost, mail-back starter kits to each affected site as a temporary substitution.

## Public Awareness and Education

*ORS 459A.230(1)(k) – A summary of the Drug Take-Back Program’s compliance with ORS 459A.227 (Public awareness)*

Pursuant to ORS 459A.227, The Foundation executed a comprehensive and measurable public awareness and education strategy to drive awareness of the Program and maximize participation. The goal of the Foundation’s public awareness and education efforts was to ensure that where and how to return Covered Drugs was widely understood by Oregon Covered Entities and Authorized Collectors.

To accomplish this comprehensive public awareness and education strategy, the Foundation deployed a combination of outreach initiatives including printed materials and media

communication. Pursuant to ORS 459A.227(1)(a)-(d), each initiative aimed to instruct Covered Entities by providing at least one, if not all, of the following key messages:

- Promote the safe and secure storage of Covered Drugs by Covered Entities
- Awareness of the inherent risks of improperly storing or disposing of opioids or opiates and other Covered Drugs
- Discourage the disposal of Covered Drugs in the garbage or sewer system
- Promote the disposal of Covered Drugs through the use of the Drug Take-back Program including by publicizing information on Drop-off Sites, hours of operation, Mail-back Services, collection processes and any Collection Events

Additionally, the Foundation established a toll-free telephone number and website that Covered Entities could use to contact the Foundation about the Program. A summary of each of the initiatives deployed as part of the Foundation's public awareness and education strategy is provided below.

### **Printed Promotional Materials**

In accordance with ORS 459A.227(4), the Foundation distributed promotional written materials to Retail Drug Outlets, hospitals with an on-site pharmacy and health care clinics with an on-site pharmacy so that they could, upon request, provide those materials to Covered Entities at the time that a Covered Drug was delivered. These materials were also provided on the Program's website.

These materials:

- Provided instruction on how to safely store Covered Drugs at home
- Informed of the risks of disposing of Covered Drugs in inappropriate waste streams (e.g., solid waste collection, sewer, or septic systems)
- Outlined how to participate in the Drug Take-back Program for safe disposal of Covered Drugs
- Informed Covered Entities about Drop-off Sites, hours of operation and Mail-back Services

### **Education Materials**

In accordance with ORS 459A.227(1)(a)-(d) materials have been created and made available to Covered Entities. These Educational Materials promote the safe and secure storage of Covered Drugs while educating Covered Entities on best practices for the disposal of Covered Drugs through the use of the Drug Take-back Program.

Educational materials have been translated into six languages (English, Spanish, Russian, Chinese, Vietnamese, and Somali) to ensure that all Covered Entities have easy and convenient access to the materials.

### **Kiosk Signage**

Kiosk Signage was created and implemented to educate and assist Covered Entities in the proper storage and disposal of Covered Drugs. In accordance with ORS 459A.227(1)(g) and in partnership with the other Program Operator, a common mark logo was created to provide a common symbol for Covered Entities to identify Collection Methods and educational materials that are part of the Program.

### **Press Release**

A press release was created and circulated across different media outlets to introduce the

Foundation to Covered Entities and potential Authorized Collectors and Mail-Back Distribution Sites.

### **Educational Webinar**

In October 2021, the Foundation held an informational webinar targeted to community leaders in Oregon intended to educate and bring awareness to the program, and bridge potential partnerships within communities. The event was promoted with a series of emails to over 190 community leaders. The webinar was recorded and later emailed out to the list of invitees.

### **Direct Mail**

In accordance with ORS 459A.227(1)(a)-(d), the Foundation utilized direct mail (5x7 postcard) to promote safe drug disposal and the utilization of the joint neutrally-branded website, [medtakebackoregon.org](https://medtakebackoregon.org). Direct mailings in the Reporting Period focused on Historically Underserved Communities through geographic and demographic targeting throughout Oregon. Direct mailings were translated and sent out in Spanish and English. Direct mail postcards highlighted important statistics, the joint neutrally-branded website and toll-free phone number, a visual of what the Kiosk looks like, and how to operate the Kiosk. See Appendix B for direct mail examples.

### **Print Advertisements**

In accordance with ORS 459A.227(1)(f), the Foundation worked with eleven regional newspapers across the state of Oregon to educate and inform Covered Entities of the joint neutrally-branded website and toll-free phone number, as well as the location of Drop-off Sites, Mail-back Distribution Sites and Collection Events. The newspaper advertisement was included in all print versions of the eleven newspapers and was also included in any online version of the newspaper, for newspapers that have online additions. These eleven newspapers have a weekly readership of 126,000 Oregon residents. An example of the newspaper advertisement can be found in Appendix B.

### **Programmatic Media**

Programmatic Media provide targeted display ads on browser sites on internet capable devices (smart phones, computers, tablets, etc.). Additionally, geo-targeting was used to focus the ads to increase awareness in Historically Underserved Communities, as well as other geographic and demographic groups. The Foundation ran ads across a prequalified list of over 200K domains including a variety of retail websites, Google, and Facebook. Impression metrics are reported directly from the individual websites that the ads are placed on and are reported on a per campaign basis. The Foundation can increase the number of programmatic campaigns utilized if reach and frequency standards are not met. See Appendix B for Programmatic Media examples.

### **Influencer Marketing**

Influencer Marketing is a content creation tactic used to drive awareness and education to a targeted audience through blogs and social media outlets. Influencers create original authentic content around their everyday lives and interests while weaving the story of drug take-back into their content. Influencer content is converted into paid ad units across social platforms and then targeted to community members across Oregon. Paid advertisements for influencer content were run on a variety of platforms including Google, Facebook, and/or Instagram and drove towards a specified impression goal. The Foundation ran quarterly social media influencer campaigns and has now recruited Spanish speaking influencers to create content on safe drug disposal in their native

languages. This approach allows for certain demographics to view content that tailors to their specific language needs in an authentic way. The Foundation can increase the number of Influencer campaigns and paid advertisements utilized if impressions and frequency standards are not met. See Appendix B for Influencer Marketing examples.

### Public Awareness Campaign Results

Outreach Activity	Start Date	End Date	Results
Direct Mail Fall 2021	10/5/21	11/5/21	20,000 Sent
Direct Mail Spring 2022	3/3/22	4/3/22	20,000 Sent
Newspaper Print Ad Winter 2021	12/12/21	12/17/21	126,250 Readship
Newspaper Print Ad Spring 2022	3/13/22	3/18/22	126,250 Readship
Newspaper Print Ad Summer 2022	6/5/22	6/10/22	126,250 Readship
Programmatic Spring 2022 Campaign	3/29/21	5/29/21	1,003,623 Impressions
Influencer Summer 2021	8/4/21	9/18/21	258,349 Impressions
Influencer Fall 2021	9/29/21	10/15/21	370,302 Impressions
Influencer Winter 2021	3/14/22	4/14/22	436,120 Impressions
Influencer Spring 2022	4/30/22	6/14/22	433,991 Impressions
<b>Total Deliverables</b>			<b>2,921,135 Impressions</b>
<b>Total Reach Percentage of State Population*</b>			<b>68.7%</b>

\*The nearly 3,000,000 impressions represent the overall scope and outreach utilized to drive awareness to 68.7% of the population of Oregon.

### Website

Pursuant to ORS 459A.227(1)(e)-(f), The Foundation established an individually branded website within the Reporting Period. The URL for The Foundation's website is [www.SafeMedicineDrop.com](http://www.SafeMedicineDrop.com). The website can be translated into six languages including English, Spanish, Russian, Chinese, Vietnamese, and Somali. The website contained a map and list of Drop-off Sites, Mail-Back Distribution Sites, and Collection Event locations, dates and times for all Covered Entities in Oregon. Covered Entities were able to request that Mailers including Standard Mail-Back Envelopes, Inhaler Mail-back Envelopes, and/or Auto-Injector Mail-Back Packages be sent directly to their residence with instructions on how to return the Mailers. The website provided additional information on The Foundation's Program including a Frequently Asked Questions (FAQ) section.

Pursuant to ORS 459A.227(3), the Foundation, along with the other approved Program Operator, established a joint neutrally-branded website and toll-free phone number within the Reporting Period. The URL for the neutrally-branded website is [www.medtakebackoregon.org](http://www.medtakebackoregon.org) and the toll-free phone number is (844)482-5322. Covered Entities can visit the neutral website to view a map and listing of all Collection Methods including Drop-off Sites, Mail-Back Distribution Sites, as well as

Collection Event locations, dates and times from all Program Operators in Oregon. The neutral site, toll-free number, and outreach materials are available in the six languages: English, Spanish, Russian, Chinese, Vietnamese, and Somali. This website provides direct links to both Program Operator's individually branded websites where Covered Entities can order Mailers and find additional information on the individual Program Operators.

### **Biennial Survey**

Pursuant to ORS 459A.227(1)(f) and ORS 459A.227(2), the Foundation conducted a survey to Covered Entities, Pharmacists, and Medical Professionals. The survey was designed to measure public awareness, the convenience of different Collection Methods, and to assess the knowledge and attitudes towards the risk of improperly storing/discarding/abandoning Covered Drugs.

The Survey was created in both an online and telephone survey format and was available in English and Spanish. A total of 1,200 community members participated in the survey. Below is a breakdown of these individuals:

- Residents - 1069
- Spanish Speaking Residents - 22
- Medical Professionals/Providers - 109

Following are highlights of the Biennial Survey results:

- Pursuant to ORS 459A.227(2)(b)(A), the Survey found 47.19% of respondents were aware of the Oregon Drug Take-back Program. This awareness represents recall.
- Pursuant to ORS 459A.227(2)(b)(B), the Survey found that 60.5% of respondents responded positively to the convenience of the Program's Collection Methods.
- 64.25% of respondents responded positively to the Ease of Use of the Program's Collection Methods
- Pursuant to ORS 459A.227(2)(b)(C), when asked about their sentiment toward drug abuse in the household, contaminated drinking water, and fish and wildlife health from flushing medication:
  - 88.84% and 88.92% respectively had concerned responses toward improper medication disposal having an effect on contaminated drinking water and fish and wildlife health.
  - 57.05% of respondents had concerns regarding drug abuse in the household. 40.51% of respondents answered that they had no concern around this matter.

## **Plan Collection, Education & Promotion Goals**

a. 20 pounds per month per Drop-off Site for a total of 2,740 pounds of Covered Drugs collected from 137 Kiosks monthly and 32,880 pounds between July 1, 2021 and June 30, 2022.

The Foundation did not meet the goal of 20 pounds per month per drop-off site for a total of 32,740 pounds of drugs collected from 137 kiosks in program year 1. When setting these goals, the Foundation used the best available data to estimate the amount of drugs typically collected in an average kiosk among the existing drug take-back network. The Foundation believed these goals to be something to strive for and did not account for the

necessary length of time and duration that a kiosk should exist and build awareness in a community to collect the weights established.

The Foundation is evaluating strategies to increase collection. Below is a summary of some of the strategies the Foundation is currently evaluating:

- The Foundation identified a total of 81 drop-off sites from Appendix A of the Guide that are not being used by either the Foundation or MED-Project. Of those, 48 are Law Enforcement Agencies. The Foundation will re-engage with the 81 drop-off sites, with specific focus on areas where additional drop-off sites and collection would be beneficial.
- The Foundation will be attending the OACP (Oregon Association Chiefs of Police) Conference on April 5-6, 2022 in Oregon with the intention of engaging the Law Enforcement community and building partnerships to establish more drop-off sites across the State.
- The Foundation is engaging with Barb Hansen, the CEO of Oregon Hospice and Palliative Care Association to place mail-back service at hospice facilities throughout the state.
- The Foundation is evaluating the possibility of placing kiosks in Long-term Care Facilities across Oregon. Though these kiosks will only be available to the residents of those facilities, the Foundation believes placing Kiosks in among this population will serve a historically underserved population while also increasing the overall success of program collection.
- The Foundation will plan to target the next Direct Mail campaign to areas where there has been either zero or a very low amount of collected drugs so far.

b. The Foundation estimates 5 ounces per Mailer of Covered Drugs collected and 125 pounds per event if approved for additional services and events.

1. The Foundation collected 160.48lbs from 468 mailers returned which nets to 5.44 ounces per mailer.
2. The Foundation ran 5 events across the state of Oregon collecting a total of 342 lbs which is an average of 68.4lbs per collection event.

c. Begin public awareness and outreach campaign as described in Section V of the Plan with a goal of reaching 50% of Covered Entities in Oregon by June 30, 2022.

The Foundation reached 68.7% of Covered Entities in the state. Reach is defined as the percentage of Oregonians who were recipients of one of the Foundation's public awareness and outreach campaigns.

The statistic of 47.19% originally reported in the Foundation's Annual Report is the percentage of surveyed covered entities who recalled having knowledge of the Oregon Drug Take Back Programs.

Programs which contributed to the reach goal are outlined in the below chart and included:

Outreach Activity	Start Date	End Date	Results
Direct Mail Fall 2021	10/5/21	11/5/21	20,000 Sent
Direct Mail Spring 2022	3/3/22	4/3/22	20,000 Sent
Newspaper Print Ad Winter 2021	12/12/21	12/17/21	126,250 Readship

Newspaper Print Ad Spring 2022	3/13/22	3/18/22	126,250 Readship
Newspaper Print Ad Summer 2022	6/5/22	6/10/22	126,250 Readship
Programmatic Spring 2022 Campaign	3/29/21	5/29/21	1,003,623 Impressions
Influencer Summer 2021	8/4/21	9/18/21	258,349 Impressions
Influencer Fall 2021	9/29/21	10/15/21	370,302 Impressions
Influencer Winter 2021	3/14/22	4/14/22	436,120 Impressions
Influencer Spring 2022	4/30/22	6/14/22	433,991 Impressions
<b>Total Deliverables</b>			<b>2,921,135 Impressions</b>
<b>Total Reach Percentage of State Population*</b>			<b>68.7%</b>

\*The nearly 3,000,000 impressions represent the overall scope and outreach utilized to drive awareness to 68.7% of the population of Oregon.

d. Obtain a goal for measuring the percentage of the population that has used a Kiosk in 2021.

The Foundation's Biennial Survey asked respondents whether they have used one of the Foundation's collection methods and which one. The Foundation is using the data collected from this survey question as a benchmark to measure covered entity use of program collection methods over time. For 2021, 36.43% of the 1076 respondents to that question used either a mail-back, kiosk or collection event. Of that, 25.37% used a kiosk.

e. Increase Program awareness for Historically Underserved Communities.

A significant portion of the paid public awareness and outreach efforts were targeted at historically underserved communities with the goal of increasing public awareness among those groups. Geographic, demographic, and social affinity targeting were used to ensure that awareness was targeted towards historically underserved communities. The Foundation will be able to measure whether program awareness in historically underserved communities has increased over time by analyzing data from previous and subsequent surveys.

## Total Plan Annual Expenditure

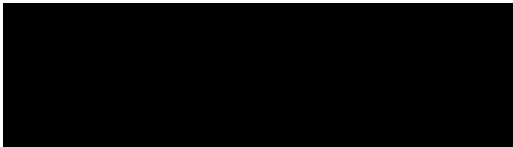

ORS 459A.230(1)(L) - A summary of the annual expenditures of the Drug Take-back Program, aggregated by category

Category	Annual Expenditure
Administrative	\$472,668.00
Collection and Disposal	\$203,048.53
Communication and Promotion	\$197,573.06
<b>Total</b>	<b>\$873,289.59</b>

\* Administrative expenditures include DEQ's annual program administrative fee

## Certification

Pursuant to ORS 459A.230(1)(n), I hereby declare under penalty of false swearing (Oregon Revised Statute 162.075 and ORS 162.085) that the above information and all of the statements, documents and attachments submitted with this claim are true and correct and that all Covered Drugs collected under the Drug Take-Back Program were disposed of in compliance with applicable laws, rules and regulations.

Wondering what realistic ways to improve your mental health will actually help you to become mentally happy and healthy? I've got a bunch of habits, activities, and tips to boost mental health for you today.

SEARCH THIS WEBSITE

### Hey mama! I am so happy you are here.

**TOP PORTLAND BLOGGER**

My name is Lynneah and my goal is to help you learn how to love yourself from the ground up. I have spent too many years at rock bottom (the "pit" as I call it) and after finally making the choice to stand up for my life & worth, I finally do not want to run away from my life. I want to help YOU do the same.

October 23, 2021, is National Prescription Drug Take-Back Day so go ahead and get ahead by [clicking here to find a location near you!](#)

What are you supposed to do with medication you don't need?

Well, one great resource here in Oregon that I have been thankful for is the [LifeCheck Consumer Drug Take-back™](#) located in various locations near me.

Patients of unwanted medications today take many forms, from flushing down the toilet or pouring in the drain, to throwing in the garbage, or worse. More often than not, the end result is damage to our environment, drug diversion, or the drug being abused by others.

**carballo\_lucyofficial AD**  
@lifeincheckdtb Sabías que tirar los medicamentos expirados a la basura o drenaje dañan el medioambiente?  
Es por eso que Life in Check tiene lugares donde puedes depositar tus medicamentos expirados o que ya no quieres de manera segura. Para encontrar un lugar solo tienes que ir al sitio web y poner tu código postal y ahí te daremos un listado de lugares. #DrugTakeBackOR
