I. Executive Summary

MED-Project USA (“MED-Project”) operates a Product Stewardship Plan for Covered Drugs from Households in the State of Oregon, under the Oregon Revised Statutes 459A.200 to 459A.266 (the “Act”), approved by the Oregon Department of Environmental Quality (the “Department”) on May 20, 2021 (“Approved Plan”) and last revised on February 23, 2024. MED-Project is submitting this 2023-2024 State of Oregon Annual Report (“Report”) for the period between July 1, 2023, and June 30, 2024 (the “Reporting Period”) as described in Approved Plan Section III.C: Reporting. In addition, MED-Project implemented an Additional Services Proposal submitted on June 1, 2023, and approved on June 17, 2023, during the Reporting Period pursuant to the Approved Plan. All capitalized terms used but not otherwise defined herein shall have their respective meaning set forth in the Approved Plan.

MED-Project has served the residents of the State since 2021 and has served the residents by collecting over 180,000 pounds of Covered Drugs. MED-Project’s comprehensive outreach and education program has generated over 35 million impressions to State residents.

A. Notifications in the Reporting Period

MED-Project submitted a number of notifications during the Reporting Period. The notifications included:

- MED-Project submitted monthly reports listing the active Mail-Back Distribution Locations in the State and a report listing the active Secure Repositories in the State for the preceding month throughout the Reporting Period.
- MED-Project submitted monthly reports listing the scheduled installations of Secure Repositories in the State throughout the Reporting Period.
- MED-Project submitted an Additional Services Proposal pursuant to the Approved Plan on May 24, 2024, that was subsequently approved on June 21, 2024.
- MED-Project requested a modification to the Approved Plan on October 13, 2023, to improve Drop-Off Site efficiencies and satisfaction with program participation. On October 23, 2023, the Department approved the change request.
- MED-Project requested a modification to the Approved Plan on November 17, 2023, to add a special permit to the Approved Plan. On December 5, 2023, the Department approved the change request.
- MED-Project requested a modification to the Approved Plan on February 23, 2024, to add semi-annual inspections of Drop-Off Sites to the Approved Plan. On April 3, 2024, the Department approved the change request.

- MED-Project notified the Department of a change to the supplier of Unwanted Medicine liners on April 23, 2024.

B. Reporting Period Operations Overview

MED-Project operated 255 Secure Repositories at participating Drop-Off Sites in the State during the Reporting Period. In addition, MED-Project operated 134 Mail-Back Distribution Locations during the Reporting Period. Secure Repositories were installed in pharmacies, hospitals/clinics, and LEAs that meet all state, and federal requirements and that executed agreements with MED-Project. In addition, outreach and educational materials, including signage and/or brochures, were distributed to all new Drop-Off Sites and offered to Mail-Back Distribution Locations and to those that requested promotional materials. All promotional material included in this Report are representative examples from the Reporting Period.

As outlined in the Approved Plan, the goal of the Program is to provide Covered Entities with convenient, safe, and accessible methods to dispose of Covered Drugs. MED-Project continues to communicate with Collection Sites to distribute outreach materials and review procedures as needed and improve the overall Program design.

The following sections of the Report respond to specific reporting requirements either in the Act or the Approved Plan. Each section of the Report restates the corresponding Act or Approved Plan requirement and provides the required information. All figures are rounded to the nearest tenth place.

II. Covered Manufacturers

ORS 459A.230 (1)(a): “A list of covered manufacturers participating in the drug take-back program;”

See Appendix A; Covered Manufacturers.

MED-Project submitted producer list updates, as required, throughout the Reporting Period.

III. Collection Methods and Weights

ORS 459A.230 (1)(b): “The total amount, by weight, of drugs collected under the drug take-back program;”

ORS 459A.230 (1)(c): “The amount, by weight, of drugs collected under each method of collecting drugs under the drug take-back program;”

ORS 459A.230 (1)(i): “The total amount, by weight, of drugs disposed of by each method, presented in a manner that allows the department to conduct an audit to verify the information;”

A. Total Collection

MED-Project collected a total of pounds 67,674.1 pounds of Covered Drugs through all collection methods during the Reporting Period. The total amount of Covered Drugs disposed of by each method is included as a separate Excel spreadsheet attachment to this Annual Report. Please see Attachment A: Collection Report, Sheet: Total Collection.

B. Drop-Off Sites

ORS 459A.230 (1)(e): “The total amount, by weight, of drugs collected at each drop-off site, presented in a manner that assists the department in determining the rate of use of each drop-off site;”

MED-Project collected 66,312.4 pounds of Covered Drugs through Secure Repositories.

The weight of covered drugs collected at each Drop-Off Site is provided in an Excel spreadsheet attached to this Report. See Attachment A: Collection Report, Sheet: Drop-Off Site Collection. Seven sites were newly installed during the Reporting Period. MED-Project distributed 30 Injector Mail-Back Packages to four of the seven installed Drop-Off Sites during the Reporting Period. After the Reporting Period, MED-Project provided

15 Injector Mail-Back Packages to the remaining three Drop-Off Sites. Additionally MED-Project provided Injector Mail-Back Packages to eight existing Drop-Off Sites that requested them during the Reporting Period. During the Reporting Period, 17 Drop-Off Sites ceased participation.

C. Mail-Back Services

MED-Project distributed Mail-Back Packages through the following methods during the Reporting Period:

- 134 Mail-Back Distribution Locations. MED-Project provides a list of Mail-Back Distribution Locations that were active during the Reporting Period. See Appendix B; Mail-Back Distribution Locations.
- Resident requests through the Website and Call Center.
- Drop-Off Sites providing Injector Mail-Back Packages.

MED-Project collected 1,206.3 pounds of Covered Drugs through Mail-Back Services. The amount of Covered Drugs collected by Mail-Back Services and disposed of is included as a separate Excel spreadsheet attachment to this Annual Report. Please see Attachment A: Collection Report, Sheet: Mail-Back Services Collection.

- MED-Project collected 428.0 pounds of Covered Drugs through the return of 980 Standard Mail-Back Packages.
- MED-Project collected 140.8 pounds of Covered Drugs through the return of 298 Inhaler Mail-Back Packages.
- MED-Project collected 637.5 pounds of Covered Drugs through the return of 251 Injector Mail-Back Packages.

On March 26, 2024, MED-Project met with the CEO of the Oregon Hospice and Palliative Care Association (“OHPCA”) to discuss the needs of hospice facilities in the State. MED-Project discussed awareness of the Drug Take-Back Program and how to access Mail-Back Packages and resources available to hospice sites within the State. A flyer outlining mail-back services was developed and provided to OHPCA to provide patients and families with additional program information. Hospice facilities can register to become a Mail-Back Distribution Location and be provided Mail-Back Packages that can be handed out to their patients, upon request. During the reporting period, MED-Project had a hospice and palliative care services site participating, Kaiser Hospice and Palliative Care Services, as a Mail-Back Distribution Location.

D. Collection Events

ORS 459A.230 (1)(f): *“The date and location of each collection event held pursuant to ORS 459A.221;”*

MED-Project supported law enforcement at two Collection Events resulting in the collection of 155.5 pounds of Covered Drugs in the State during the Reporting Period. The amount of Covered Drugs collected at Collection Events and disposed of is included as a separate Excel spreadsheet attachment to this Annual Report. Please see Attachment A: Collection Report, Sheet: Collection Event Collection. A list of the Collection Events that were supported during the Reporting Period is included in this Report. See Appendix C; Collection Events.

IV. Drop-Off Site Locations

ORS 459A.230 (1)(d): *“The address of each drop-off site used under the drug take-back program;”*

A list of Drop-Off Sites that were active during the Reporting Period is included in this Annual Report. See Appendix D; Drop-Off Site Locations.

V. Transporters and Disposal Facilities

ORS 459A.230 (1)(g): *“The method or methods used to transport drugs collected under the drug take-back program;”*

ORS 459A.230 (1)(h): *“The disposal technologies or processes used pursuant to ORS 459A.224 and which facilities or incinerators were used;”*

A. Transporters

See Appendix E; Transporters.

B. Disposal Facilities

See Appendix F; Disposal Facilities.

VI. Safety and Security Report

ORS 459A.230 (1)(j): *“Whether any safety or security problems occurred during the collection, transportation or disposal of drugs and, if a problem occurred, a summary of the occurrence and possible resolutions;”*

There were no safety or security problems during the collecting, transporting, and disposing of Covered Drugs during the Reporting Period, with the exception of the event discussed in this Annual Report. See Appendix G; Safety and Security Report.

VII. Educational Efforts and Public Outreach

ORS 459A.230 (1)(k): “A summary of the drug take-back program’s compliance with ORS 459A.227;”

A. Public Education Activities

During the Reporting Period, MED-Project promoted the safe and secure storage of Covered Drugs by Covered Entities by providing disposal instructions for Drop-Off Sites through the Approved Plan, providing information through the MED-Project Website and Call Center, and distribution of promotional materials such as brochures and posters.

During the Reporting Period, MED-Project conducted a website refresh initiative which was designed to provide an enhanced user experience and improve overall usability, accessibility, and navigation. The refresh included the implementation of dynamic translation capabilities and new accessibility and mobility features. These changes were designed to make the MED-Project Website easier to navigate and understand, allowing Oregon residents more efficient access to disposal options for Covered Drugs. The MED-Project Website, Call Center, and promotional materials were available in the Specified Languages as outlined in the Approved Plan.

MED-Project’s educational materials on the MED-Project Website can be translated into more than 100 languages on the MED-Project Website via a translation tool. During the Reporting Period, MED-Project updated the color scheme and imagery in the posters, brochures, signage, and other creative assets used to promote the Program. The updated creative assets included clear, inclusive images to reinforce the messaging. The MED-Project Website lists all Drop-Off Sites and Mail-Back Distribution Locations. MED-Project continued to coordinate with the other approved Program Operator to provide a Single Source of Promotion website and call center.

During the Reporting Period, the Single Source of Promotion website and call center served as the primary method for Covered Entities to locate Drop-Off Sites and Mail-Back Distribution Locations. The Single Source of Promotion website and call center were available in the Specified Languages as outlined in the Approved Plan.

MED-Project Website pages are provided in Appendix H; MED-Project Website Pages. Statistics for the MED-Project Website and the Single Source of Promotion website are included in Appendix I; Website Statistics. See Appendix J for examples of promotional materials such as brochures or posters available during the Reporting Period. A list of

sites that received promotional materials during the Reporting Period is provided in this Report. See Appendix K; Promotional Material Distribution.

Since 2015, MED-Project and its subsidiaries have worked with pharmacies, law enforcement agencies, vendors, regulators, and others across jurisdictions to develop readily recognizable and consistent design for Secure Repositories and to develop clear, standardized instructions on how to use those repositories. During the Reporting Period, Authorized Collectors in Oregon were able to provide feedback on MED-Project's Program, including on the design of Secure Repositories and on its instructions for their use, through the Help Desk. MED-Project did not receive feedback on the design and consistency of its Secure Repositories during the Reporting Period and did not revise the designs and instructions.

B. Outreach Activities

To promote the Program during the Reporting Period, MED-Project: provided media campaigns using tactics such as digital display, social media, and online video; provided information through the MED-Project Website; and posted information using organic social media. MED-Project publicized information on the location of Drop-Off Sites, collection options, and Collection Events through social media posts. A list of the organic social media activities is provided in Appendix L. MED-Project initiated outreach campaigns during the Reporting Period. The outreach campaigns that ran for the duration of four weeks, three times during the Reporting Period, were designed to be cumulatively viewed by 50% of State residents over age 18. Part of these outreach activities were directed and targeted at the Historically Underserved Communities. The reach percentage for the State during the Reporting Period was 82%, exceeding the target of 50% reach. The reach percentage for each media activity is provided in the media outreach summary detailed in Appendix M. During the Reporting Period, MED-Project developed and distributed a digital promotional toolkit to Local Health Jurisdictions. The toolkit included ready-to-use resources, providing Local Health Jurisdictions an efficient, cost-effective and flexible tool to promote MED-Project's services directly to their constituents. In addition to social media images and language, and a promotional flyer, the toolkit contained a customizable press release, providing Local Health Jurisdictions the opportunity to include individualized quotes from officials and/or their Jurisdiction boilerplate.

C. Evaluation Activities

MED-Project's initial biennial survey of Covered Entities, pharmacists and health care providers who interact with Covered Entities was posted to the MED-Project Website prior to the Reporting Period. This biennial survey is further described in the MED-Project 2022-2023 Annual Report. The second biennial survey of Covered Entities, pharmacists and health care providers who interact with Covered Entities was conducted after the end of the Reporting Period. The results of the survey were posted

after the Reporting Period and will be discussed in the 2024-2025 State of Oregon Annual Report.

VIII. Annual Expenditures

ORS 459A.230 (1)(I): “A summary of the annual expenditures of the drug take-back program, aggregated by category;”

A summary of the annual expenditures of MED-Project's take-back Program, aggregated by category, are provided in this Annual Report. See Appendix N; Annual Expenditures. MED-Project maintained a six-month balance during the Reporting Period.

IX. Goals

ORS 459A.230 (1)(m): “Whether service was provided in compliance with the program operator’s description pursuant to ORS 459A.209 (2)(i) and whether the public awareness goals have been met, including a summary of strategies and surveys used, and copies of any promotional materials developed by, the drug take-back program; and”

A. Convenience Standard Results

Figure 1 provides a visual representation of how MED-Project met this collection goal with active Drop-Off Sites as well as the location of Mail-Back Distribution Locations.

B. Collection Goals

As described in Section VI of the Approved Plan, MED-Project also met the collection goal of collecting approximately 26,000 pounds of Covered Drugs annually. During the Reporting Period MED-Project collected 67,674.1 pounds of Covered Drugs, exceeding the collection goal.

C. Public Outreach and Education Goals

As discussed in Section VI of the Approved Plan, MED-Project has the following goals for July 1, 2023, and July 1 each year thereafter:

- To continue to improve awareness in urban areas and rural areas each year, based on the biennial survey results and other methods used to evaluate awareness.

- To continue to improve its outreach and education program each year as needed to address the needs and interests of Historically Underserved Communities, based on Oregon’s Kitchen Table’s analysis.

The following section describes MED-Project’s progress toward meeting outreach and education goals described in the Approved Plan during the Reporting Period.

MED-Project conducted the first biennial survey of Covered Entities and of pharmacists and health care providers who interact with Covered Entities prior to the reporting period. Based on results from this survey, MED-Project continued to focus outreach activities on digital and social media channels for effective communications and inclusive reach of Covered Entities.. For additional information about the biennial survey, see the 2022-2023 MED-Project Annual Report The second survey of Covered Entities and of pharmacists and health care providers who interact with Covered Entities was completed after the end of the Reporting Period.

During the Reporting Period, in addition to providing Covered Entities the ability to provide feedback and ask questions via the MED-Project Website and Call Center, MED-Project maintained a community feedback questionnaire, accessible via the community feedback page of the Website, to assess program awareness among Covered Entities. MED-Project received one completed community feedback questionnaire during the Reporting Period. The respondent indicated they had utilized the safe disposal services offered by MED-Project, and they felt the program was easy to use, locate, and access. The respondent also indicated a preference to disposing unwanted medicine to a Secure Repository at a Pharmacy or law enforcement agency (LEA). MED-Project continues to evaluate additional methods to obtain feedback from Covered Entities and the community.

MED-Project’s initial biennial survey provided insight into the preferred method of exposure and limitations of traditional media in reaching Historically Underserved Communities. Based on these results, MED-Project continued a strategic outreach approach of media campaigns utilizing digital display, social media, and online video channels to continue to improve outreach and education in urban and rural areas. These initiatives were also developed to engage the diverse audiences that were identified by Oregon’s Kitchen Table – Safe Medicine Return in Oregon report. By utilizing advanced targeting through digital display, social media, and online video channels, MED-Project continued broader outreach and inclusion, addressing potential barriers to communication faced by Historically Underserved Communities. Through the combination of these digital channels, MED-Project sought to bridge gaps in communications and cultivate meaningful connections with Historically Underserved Communities.

MED-Project met with Oregon’s Kitchen Table during the Reporting Period to discuss the Drug Take-Back Program and how to best engage the Historically Underserved Communities with the services that are available to those communities.

As discussed in Section I.F.3 of the Additional Services Proposal, submitted to the Department on June 1, 2023, and approved on June 17, 2023, MED-Project continued outreach and education efforts for Historically Underserved Communities. During the first year of Program operation following July 1, 2021, MED-Project added a third-party translation tool to the Website, enabling translations into over 100 languages. This translation tool continues to enhance accessibility, allowing speakers of diverse languages to access Program information. As additional languages are added to the third-party translation tool, the MED-Project Website will offer content translation in those languages as well. Additionally, MED-Project's Website contains an accessibility tool to facilitate engagement for individuals with disabilities. As of May 10, 2024, the MED-Project Website had received 28,429 page views.

MED-Project's media outreach generated over 35 million impressions as of June 30, 2024, including reach to traditionally served communities and Historically Underserved Communities. On April 12, 2024, and May 10, 2024, MED-Project conducted additional social media outreach to promote Collection Events in Clackamas County. Moreover, MED-Project provided materials to participating law enforcement agencies and issued a Media Alert to further promote these Collection Events. These initiatives provided outreach to populations in counties where Historically Underserved Communities are represented.

During the Reporting Period, MED-Project continued offering promotional materials in the Specified Languages as outlined in the Approved Plan. See Appendix J; MED-Project Promotional Materials.

To continue to improve its outreach and education program each year, as needed, MED-Project will continue to evaluate outreach to Historically Underserved Communities in future years' campaign activity, including running translated media in targeted media channels where appropriate.

X. Additional Services Metrics

Plan Section III.C: "For additional services provided during the reporting period, MED-Project's annual report will include relevant metrics for the additional services, which will include the number of Mail-Back Packages provided to additional Mail-Back Distribution Locations, the weight collected through returned Mail-Back Packages Distributed by each additional Mail-Back Package Distribution Location, the number of households receiving direct mailers sent by zip code, the amount of Covered Drugs collected through additional Drop-Off Sites, and changes to outreach and educational materials, including the provision of materials in additional languages."

Pursuant to Section III.C; Reporting, in the Approved Plan, MED-Project is providing a summary of relevant metrics for additional services. A list of Mail-Back Distribution Locations including the number of Mail-Back Packages distributed to each site is provided in Appendix B; Mail-Back Distribution Locations. The amount of weight collected from each Drop-Off Site is provided in an attachment to the Annual Report. See Attachment A; Drop-Off Site Collection Weights, Sheet: Drop-Off Site Collection. Representative promotional materials, including brochures and posters in additional languages are provided in Appendix J; MED-Project Promotional Materials. See Appendix O; Additional Services Metrics for:

- The weight of Covered Drugs collected through returned Mail-Back Packages, by Mail-Back Distribution Locations.
- The number of households that were sent direct mailers, by ZIP Code.

XI. Certification

ORS 459A.230 (1)(n): “An attestation that all covered drugs collected under the drug take-back program were disposed of in compliance with applicable laws, rules and regulations.”

MED-Project complied with all elements of the laws, rules, and regulations during the Reporting Period. An attestation as described in ORS 459A.230 (1)(n) is provided in Appendix P.

Safety and Security Report

Event 1

Date: July 23, 2023

Description: Drop-Off Site Staff (“Site Staff”) reported to MED-Project that a resident was observed tampering with and removing a container from the Secure Repository.

Corrective Action Taken: Site Staff removed and sealed the Secure Repository’s unwanted medicine box and liner, locked the Secure Repository, placed the Secure Repository out of service until it could be assessed and replaced, and alerted law enforcement. MED-Project advised Site Staff to retain surveillance footage and to evaluate any potential reporting obligations they may have with respect to the United States Drug Enforcement Administration and the Oregon Board of Pharmacy.

What Can I Dispose Of?

Below are general guidelines for the products that will and will not be accepted in drop boxes.

Medicine

To protect your privacy, patients are reminded to remove all personally identifiable information on medication labels or packaging before disposing of unwanted medicine.

Residents may also go to selected locations to request a Mail-Back Package for expired or unwanted medicine.

Accepted
Medications in any dosage form, except for those listed below, in their original container or sealed bag are accepted.

Not Accepted

- Herbal remedies
- Vitamins
- Supplements
- Cosmetics
- Other personal care products
- Emptied Medical devices
- Batteries
- Mercury-containing thermometers
- Sharps
- Illicit drugs
- Pet pesticide products
- Animal medicines
- Biologics

If transferring medications to a sealed bag, please be sure to recycle remaining packaging.

Do not place medicine in the trash or recycling, and never flush them down the toilet.

Outreach and Education

Part of MED-Project's mission is to reach out to the local community and educate residents about the proper disposal of unwanted household medication.

Medicine helps treat disease, manage chronic conditions, and improve health and well-being for millions of Americans.

Take medication as directed by your health care provider and as indicated on the label or packaging, then store it securely, and dispose of it safely, to prevent accidental ingestion or misuse by others, including children and pets.

MED-Project's disposal services for your unwanted household medication are safe, free, and convenient.

For additional information on the program, MED-Project has developed an educational toolkit which includes the materials below.

Safe Storage Information

It is important to take medication as prescribed by your health care provider and as indicated on the label or packaging. Opioids and opiates are powerful medicine, and like other medications, can be dangerous when used in ways that are not intended.

Always be sure to store medicine securely to prevent accidental ingestion or misuse by others, especially children. If you have expired or unwanted household medication, proper storage and disposal are easy.

To protect your family, pets, and community, follow these instructions for secure storage and safe disposal.

Use as Directed

Use medication as directed. If there are any specific instructions on the label, package, or package insert, please follow those. If you have any questions, ask your healthcare providers.

Store Securely

Follow storage instructions as provided on medicine labels and on the information accompanying medicine. Keep medication in a secure location safely away from people or pets that might come in contact with them.

Dispose Safely

Check your medicine cabinet and remove all expired and unwanted medication. If you do not know if a drug is still safe, check with your pharmacist. Count medication to keep track of amounts. Drop off or mail back expired or unwanted medications for safe disposal.

Please separate and remove any items and medication that are not accepted before disposing.

Do not place medicine in the trash or recycling and never flush them down the sink or toilet.

To protect your privacy, patients are reminded to remove all personally identifiable information on medication labels or packaging before disposing of unwanted medicine.

Figure 23: MED-Project Safely Dispose of Expired or Unwanted Medicines Brochure – Spanish (Front)

¿Qué se debe hacer con un medicamento caducado o no deseado?

Los medicamentos ayudan a tratar enfermedades, controlar afecciones crónicas y mejorar la salud y el bienestar de millones de estadounidenses. Cumplir con su rutina de medicamentos significa tomar su medicamento según las indicaciones de su proveedor de atención médica o según lo indicado en la etiqueta o el envase: la dosis correcta, en el momento correcto, de la manera correcta. Luego, guárdelo protegido y elimínelo de manera segura para evitar la ingestión accidental o el mal uso por parte de otras personas, incluidos niños y mascotas.

Los programas y servicios de MED-Project hacen que la eliminación de medicamentos sea segura, gratuita y conveniente para usted.

Ingerir según lo indicado

Ingiera el medicamento según las indicaciones. Si hay instrucciones específicas para la eliminación en la etiqueta, el envase o el prospecto, siga esas instrucciones. Si tiene alguna pregunta, consulte a sus proveedores de atención médica.

Almacenamiento protegido

Siga las instrucciones de almacenamiento provistas en las etiquetas de los medicamentos y en la información que los acompaña. Mantenga los medicamentos en un lugar protegido, lejos de personas o mascotas.

Eliminación segura

Revise su botiquín y elimine todos los medicamentos caducados y no deseados. Si no sabe si un medicamento sigue siendo seguro, consulte con su farmacéutico. Cuento los medicamentos para realizar un seguimiento de las cantidades. Deje o devuelva por correo los medicamentos caducados o no deseados para su eliminación segura.

Eliminación de medicamentos domésticos

MED-Project ofrece opciones seguras, gratuitas y convenientes para eliminar medicamentos domésticos en su comunidad.

Buzón

Buzones bien ubicados disponibles en su área. Para encontrar un buzón cercano, visite la sección Buscar una ubicación de medtakebackoregon.org.

Devolución por correo

Los paquetes de devolución por correo están disponibles en su área. Todos los paquetes de devolución por correo tienen la dirección y el franqueo prepagos. Para solicitar un paquete de devolución por correo, visite la sección Devolución por correo de medtakebackoregon.org.

MED-Project puede tener distribución de paquetes de devolución por correo o sitios informativos en su área.

Para obtener más información sobre las opciones de eliminación cercanas, visite medtakebackoregon.org

Para proteger su privacidad, se les recuerda a los pacientes que eliminen toda la información de identificación personal de las etiquetas o los envases de los medicamentos antes de desechar los medicamentos no deseados.
