# Draft 2: Equity

---

1. Which changes to the second draft do you support as presented? Which do you think could be strengthened?
2. Does CAA's vision in its goals section of the plan adequately allow for measurement of success in achieving equity in long term?
3. What changes, including metrics or measures, would have substantial positive impacts for Draft 3?

# Draft 2: Statewide plastics recycling goal; on-ramp proposal(s)

---

1. Do you agree with the vision for materials, and pace for the evolution of the Uniform Statewide Collection List through program plan “on-ramping”?
2. What feedback do you have for CAA regarding the practicability and cost challenges pertaining to certain PRO list materials that are described in this plan draft?
3. Is CAA on track to meet the statewide plastics recycling goal of 25% in 2028?

# Draft 2: REM verification standards and variance proposal(s)

---

- Does the plan Draft 2 fulfill the relevant statutory requirements for this section?

# Draft 2: Ecomodulation of fees

---
