

Oregon Department of Environmental Quality

Project Sign Requirements – Bipartisan Infrastructure Law Clean Water State Revolving Fund

The sign must be posted on the project site throughout the course of construction to permit public viewing. Sign requirements are described on the example below. DEQ allows the borrower to add their logo to the project sign, but not that of other funders.

Vinyl stickers of the DEQ logo and the EPA seal are supplied by your DEQ Project Officer.

Sign borders shall be equal on either side, with the longest line centered in the sign.

Provide adequate supports for sign as site conditions may require. Keep sign a proper distance above prevailing grade to allow for public viewing.

Non-discrimination statement

DEQ does not discriminate on the basis of race, color, national origin, disability, age, sex, religion, sexual orientation, gender identity, or marital status in the administration of its programs and activities. Visit DEQ's [Civil Rights and Environmental Justice page](#).
