

Agency Rank Structures

These ranks structures were provided to DPSST by your agency and are used for two purposes:

- 1) To reflect what rank in your Agency you are eligible to apply for Supervisory, Middle Management, or Executive Certification
- 2) To determine who is required to attend DPSST Supervisory or Middle Management training upon promotion or hire into these positions

How to use this list:

**If you are applying for a leadership certification:** If your current rank is listed next to your agency you are eligible to apply for certification

**If you have been promoted:** If your new Rank is listed under Supervisory or Management, you are required to attend Supervisory or Middle Management courses or an equivalent. If your new rank is listed under both, Both Supervisory and Middle Management training is required.(if you haven't done so already)

**If the rank structure needs to be updated:** Contact DPSST and we will send an F14 Agency Rank Structure that will allow your agency head to update the structure.
