345-015-~~0016~~ 0415 - Requests for Party or Limited Party Status in Contested Cases on Applications for a Site Certificate

~~(1) The Department and applicant or certificate holder are parties to the contested case proceeding, with the right to participate on all issues in the contested case proceeding. Notwithstanding OAR 137-003-~~0005(2)~~ 0535(2) and (3), a person other persons requesting to participate as a party or limited party in a contested case proceeding must submit a petition to the hearing officer and provide copies to the Department and the site certificate applicant or certificate holder by the date specified in the Department's notice issued under OAR 345-015-0230 and OAR 345-015-0403. Petitions received after the deadline will not be considered unless the hearing officer determines that good cause has been shown for failure to submit the petition by the required date.~~

Commented [TJ46]: Updating to reflect adoption of OAH rules. Note that this is in here because unlike what is specified in the model rules / OAH model rules, in EFSC contested cases all petitions go to the hearing officer (not the agency) and by the deadline established in the notice (not 21 days before the hearing).

Commented [TJ47R46]: See OAR 137-003-0535(2), which states that petitions to participate in a contested case should be submitted to the agency and 137-003-0535(3), which states that petitions are to be filed 21 days before the hearing unless the agency by rule has set a different deadline.

Commented [TJ48R46]: #2 OAH rules

Commented [TJ49]: Removing as duplicative of proposed adoption of OAR 137-003-0535(2).

Unless otherwise provided by law, a person requesting to participate as a party or limited party shall file a petition with the agency and shall include a sufficient number of copies of the petition for service on all parties."

Commented [TJ51R49]: #2 OAH Rules

~~(2) Persons who have an interest in the outcome of the Council's contested case proceeding or who represent a public interest in such result may request to participate as parties or limited parties.~~

~~(3) Except as described in sections (3) and (4) of this rule, only those persons who have commented in person or in writing on the record of the public hearing described in OAR 345-015-0220 may request to participate as a party or limited party in a contested case proceeding on an application for a site certificate. To raise an issue in a contested case proceeding, the issue must be within the jurisdiction of the Energy Facility Siting Council, and the person must have raised the issue in person or in writing on the record of the public hearing, unless the Department did not follow the requirements of ORS 469.370(2) or (3) or unless the action recommended in the proposed order described in OAR 345-015-230, including any recommended conditions of approval, differs materially from the action recommended in the draft proposed order, in which case the person may raise only new issues within the jurisdiction of the Council that are related to such differences.~~

~~(3) Subject to the exceptions in ORS 469.370(5), if a person has not raised an issue at the public hearing with sufficient specificity to afford the Council, the Department and the applicant decision maker an adequate opportunity to respond to the issue, the hearing officer may not consider the issue in the contested case proceeding.~~

Commented [TJ52]: Revised to be consistent with ORS 469.370(3), which states that "... issues shall be raised with sufficient specificity to afford the council, the department and the applicant an adequate opportunity to respond to each issue."

~~(4) To have raised an issue with sufficient specificity, the person must have:~~

Commented [TJ53R52]: #3 Consistency

~~(a) identified the recommended findings of fact, conclusions of law, or conditions of approval to which they object;~~

Formatted: Indent: Left: 0.5"

OR CHAPTER 345 – OREGON ENERGY FACILITY SITING COUNCIL
RULES EFFECTIVE AUG. 29, 2023

~~(b) specified the Council standard or other applicable state and local requirements on which their objection is based; and~~

~~(c) presented facts or statements supporting that objection on the record of the draft proposed order at the public hearing that support the person's position on the issue.~~

~~(4) Following a Council decision to grant a contested case hearing under OAR 345-015-0310, only those persons who have commented in person or in writing on the record of the public hearing described in OAR 345-015-0320 may request to participate as a party or limited party in a contested case proceeding on an application for a site certificate. To raise an issue in a contested case proceeding, the issue must be within the jurisdiction of the Council, and the person must have raised the issue in person or in writing on the record of the public hearing. If a person has not raised an issue at the public hearing with sufficient specificity to afford the decision maker an opportunity to respond to the issue, the hearing officer may not consider the issue in the contested case proceeding. To have raised an issue with sufficient specificity, the person must have presented facts at the public hearing that support the person's position on the issue.~~

~~(5) The requirements in (2), (3), and (4) also apply to a Council decision to grant a contested case proceeding under OAR 345-015-0310 (Request for Expedited Review of Special Criteria Facilities), with the exception that a person must have commented in person or on the record of the public hearing described in OAR 345-015-320 as opposed to the public hearing described in OAR 345-015-0220.~~

~~(6) In a petition to request party or limited party status, the person requesting such status must include:~~

~~(a) The information required under OAR 137-003-00050535(34);~~

~~(b) A short and plain statement of the for each issue or issues that the person desires to raise in the contested case proceeding; the statement should be worded the way the person requests the issue be worded for the contested case proceedings; and~~

~~(c) A reference to the person's comments on the record of the draft proposed order at the public hearing showing that the person raised the issue or issues at the public hearing on the record of the draft proposed order.~~

~~(7) The applicant, the Department, or the certificate holder may submit written responses to petitions to request party or limited party status to the hearing officer by the date specified for such responses in the Department's notice issued under OAR 345-015-0230 and OAR 345-015-0403, providing copies to one another and the person who submitted the petition for party or limited party status.~~

~~(8) In ruling on petitions to participate as a party or a limited party, the Hearing Officer shall consider the criteria described in OAR 137-003-0535(8). A limited party is a person, other than an applicant or certificate holder, who requests to participate in the contested case and who the hearing officer determines raised one or more issues with sufficient specificity as described in subsections (3) and (4), but did not raise all the issues to be addressed in the contested case, as established by the hearing officer in the prehearing order on party status described in OAR 345-015-0430.~~

Commented [TJ54]: Clarifying what it means to present an issue at the DPO hearing with sufficient specificity.

Commented [TJ55R54]: #4 Clarity

Commented [TJ56]: Cleaning up what was (4) and is now (3) to reduce complexity. The standard is the same even during an expedited review of special criteria facilities so no need to spell it out twice.

Commented [TJ57R56]: #1 Reorganize

Commented [TJ58]: Updated to reflect adoption of OAH model rules

Commented [TJ59R58]: #2 OAH rules

Commented [TJ60]: To simplify and speed up resolution of issues. Separate statements for each issue makes it easier for a hearing officer and the parties to address each issue.

Commented [TJ61R60]: #5 Efficiency

Commented [TJ62]: Added to ensure a swifter and easier resolution by the hearing officer. The drafter of the statement is the expert on their own claims, it should not be up to the hearing officer and/or applicant to decipher what is being claimed.

Commented [TJ63R62]: #5 Efficiency

Commented [TJ64]: The comments don't have to occur at the actual hearing, but can be any time during the public comment period.

Commented [TJ65R64]: #3 Consistency

Commented [TJ66]: Adding clarity as to how responses to petitioner requests by department and applicant should take place.

Commented [TJ67R66]: #4 Clarity

Formatted: Not Highlight

Commented [PR68]: Reminder that I would like to run this rule and other rules re: limited parties by DOJ appellate attorneys who handled the Friends challenge to the Council's amendment rules, which led to the 2021 Supreme Court decision that those rules did not distinguish between full and limited parties and thus restricted the rights of full parties in a way not allowed under the APA.

Commented [TJ69]: Clarifying what the difference is between a party and a limited party.

Commented [TJ70R69]: #4 Clarity

(1) By petition to the hearing officer in a contested case submitted before the time of the prehearing conference, a party or limited party may request to be treated as an indigent. In the petition, the petitioner shall state in detail the facts demonstrating that the petitioner is indigent in the context of the financial burdens associated with full participation as a party or limited party in the contested case- and the reasons why the petitioner would be prejudiced if indigent status were not granted.

(2) "Indigent" means the person has an income level at or below 125 percent of the United States poverty level as defined by the most recently revised poverty income guidelines published by the U.S. Department of Health and Human Services for the person's household/family size, unless the hearing officer makes a determination as to the person's ability to pay for the cost to participate in the pending case based on other factors. In making the determination as to a person's ability to pay costs to participate in the case, the hearing officer shall consider not only the person's income, but also the availability of any assets, including, but not limited to, cash, stocks, bonds, and any other property that may be applied to the satisfaction of judgments, other financial obligations the person bears, and the nature and complexity of the case.

~~(23)~~ The hearing officer shall issue a determination on a petition for indigent status in writing and shall state the grounds for the determination. The hearing officer's determination is final unless the petitioner submits an appeal to the Energy Facility Siting Council within seven days after the date of service of the determination.

Commented [TJ72R71]: #1 Reorganize / #3 Consistency

Commented [JT*O73]: Removing this language as unnecessary given OAR 137-003-0555, which states that a party or limited party may be represented by an authorized representative, defines "authorized representative" and establishes the scope of their participation in the case. See also ORS 183.452(2), which states that an agency may be represented at contested case hearings by an officer or employee of the agency.

For a contested case on a site certificate application, the agency must submit the request to the hearing officer in writing by the date specified in the Department's public notice issued under OAR 345-015-0230(3) and OAR 345-015-0403. For a contested case on a site certificate amendment, the agency must submit the request to the Department by the date specified in the notice of the opportunity to request a contested case issued under OAR 345-027-0371(4).

345-015-~~0083430~~ - Prehearing Conference and Prehearing Order

(1) The hearing officer may hold one or more prehearing conferences to address petitions for party or limited party status and issues. The hearing officer shall consider which issues, if any, the person may participate in by considering the applicable provisions in OAR 345-015-0415 and OAR 137-003-0535(8).

(2) The hearing officer may also conduct one or more prehearing conferences for the purposes and in the manner described in OAR 137-003-0575.

(3) At the conclusion of the prehearing conference(s) described in (1) and (2), the hearing officer must issue a prehearing order or orders stating the issues to be addressed in the contested case hearing, the parties or the limited parties, the issue(s) on which each limited party may participate, the contested case procedures, and the schedule.

(4) The hearing officer's order on a request to participate as a party or limited party is final and may not be appealed to Energy Facility Siting Council unless the ruling would terminate the petitioner's ability to participate in the contested case proceeding.

(5) The hearing officer may cancel or reschedule any previously noticed prehearing conference.

(6) If an appeal to Council of a hearing officer's ruling on party status described in subsection (1) results in the granting of party status, the hearing officer shall issue an amended order.

(7) Failure to raise an objection regarding suggested procedures to be followed in the contested case or a proposed description of an issue during the prehearing conference when such procedures and issues are being discussed and established by the hearing officer constitutes waiver of that objection.

Commented [TJ80]: Clarifying that that party status is set after the prehearing conference(s).

Commented [TJ81R80]: #4 Clarity

Commented [TJ82]: Adding language to better describe how the prehearing conference works. Note that 137-003-0575 cited in (2) outlines all the acceptable reasons for holding a prehearing conference, but it does not specifically mention party status, which is why we have supplemented our rules with subsection (1) here.
