)
SUNSTONE SOLAR PROJECT) OAH Case No. 2024-ABC-06529

HISTORY OF THE CASE

On October 8, 2024, the Oregon Department of Energy issued a Public Notice of Proposed Order in the Matter of the Application for a Site Certificate (ASC) for the Sunstone Solar Project. In accordance with ORS 469.370 and OAR 345-015-0230, the Public Notice of Proposed Order provided that any eligible person interested in challenging the Proposed Order must have done so by submitting a written petition requesting party status in the contested case to the undersigned administrative law judge (ALJ) no later than 5:00 p.m. on November 7, 2024.

Now that the opportunity to submit petitions to the ALJ has closed, the following findings and conclusions are based on the record in this matter.

FINDING

No petitions for party status in a contested case proceeding were received by the November 7, 2024 deadline.

CONCLUSIONS AND ORDER

Based on the above Finding of Fact and pursuant to ORS 469.370(6):

1. The prehearing conference, tentatively scheduled for December 5, 2024, and the hearing scheduled in this matter are cancelled;
2. The contested case proceeding on the October 8, 2024 Proposed Order is concluded; and
3. The October 8, 2024 Proposed Order on the ASC for the Sunstone Solar Project may be forwarded to the Energy Facility Siting Council for its consideration.

It is so ordered this 8th day of November 2024.

Kate Triana
Senior Administrative Law Judge
Office of Administrative Hearings

CERTIFICATE OF MAILING

On November 8, 2024, I emailed the foregoing ORDER CONCLUDING CONTESTED CASE issued on this date in OAH Case No. 2024-ABC-06529.
