In the meantime, I copied the contents from yesterday's agenda item which can help with notetaking:

Environmental Justice Council Actions Required:

1. Identify agency preferences.
2. Review assigned agency reports in depth and report out findings and questions in writing.
3. Identify if follow-up is required with the whole EJC and state agencies.

Examples may include:

- a. Examples of effective community engagement and meaningful involvement.
 - b. Examples of environmental justice staffing or lack thereof.
 - c. Examples of training or lack thereof.
 - d. Examples of funding gaps.
3. Determine key points from agencies that need to be elevated to the Governor's Office.

Examples may include:

- a. Funding needs.
- b. Policy Gaps.
- c. Important initiatives or upcoming decisions.
- d. Interagency collaboration gaps.

Chair Read requests for Council member feedback to be provided on the template by 5:00 PM on 7/9/2024. Council members without assignments on this email will be contacted by Chair Read to determine their assignments shortly.

Have a great weekend!
