## Notice of Program Change

From the OREGON COASTAL MANAGEMENT PROGRAM of the  
OREGON DEPARTMENT OF LAND CONSERVATION & DEVELOPMENT

**DATE:** August 22, 2024

**NOTICE:** Pursuant to 15 CFR §923.84 (federal Coastal Zone Management Act regulations), notice is hereby given that the Oregon Department of Land Conservation & Development (DLCD) has submitted a Program Change request to the federal Office for Coastal Management (OCM). The request seeks to incorporate updates the following materials into the federally-approved Oregon Coastal Management Program (OCMP):

Jurisdiction Name	Materials & Effective Date	Previous OCM Approvals
Coos County	Zoning and Land Development Ordinance (July 22, 2022)	1985 (incorporated) 1990 (updated) 2013 (updated)
Coos County	Coos County Comprehensive Plan Volume II Part I: Coos Bay Estuary Management Plan (January 10, 2024)	1985 (incorporated) 1990 (updated) 2013 (updated)

Where OCM previously approved the incorporation of these materials into the OCMP, the year of incorporation is noted in the table above. Since that time these jurisdictions have periodically approved updates to the materials. DLCD is now submitting the more recent versions of these documents, for OCM's approval.

DLCD has determined that these updates constitute a Program Change to DLCD's federally-approved coastal management program.

**ADDITIONAL INFORMATION:** Additional information and related documents are available on the OCMP website at: <https://www.oregon.gov/lcd/OCMP/Pages/Notice-Comment.aspx>
