26	ORDER DENYING COST BILL
27	On February 11, 2000, LUBA received a cost bill from the City of Astoria. That cos
28	bill is denied for two reasons. First, the cost bill seeks reimbursement for three copies of the
29	record, in the amount of \$235.80. The "required number of copies of the record" under OAF
30	661-010-075(1)(b)(B) is two-one for petitioner and one for LUBA. Pardee v. City of
31	Astoria, 17 Or LUBA 1071, 1072 (1990). Moreover, under OAR 661-010-075(1)(b)(C), and
32	award of costs may not exceed the amount of the deposit for costs, or \$150.00. Second, the
33	cost bill is signed by an administrative assistant in the city's Community Developmen
34	Department. The city may only appear at LUBA through a member of the Oregon State Bar
35	OAR 661-010-075(6). We do not understand the administrative assistant to claim to be an
36	attorney representing the county.
