## **MISSION STATEMENT MISSION STATEMENT**

The mission of the Oregon Board of Naturopathic Medicine (Board) is to regulate, through the Oregon Revised Statutes and Administrative Rules, the practices of naturopathic medicine to ensure protection of the public. The Board promotes excellence in the practice of naturopathic medicine by assuring quality education, regulating naturopathic practices, and fostering ongoing public outreach. In this manner, the Board cultivates public trust and safety by ensuring the State of Oregon is served by naturopathic professionals providing the highest standards of care.

**STATUTORY AUTHORITY** - The Board's authority and responsibility is defined in Oregon Revised Statute (ORS) Chapter 685, and Oregon Administrative Rules (OAR) Chapter 850

## **AGENCY PLANS**

**2025-2031 Six-Year Plan:** In April 2024, Board members and staff held Board retreat to develop a six-year and two-year strategic plans. This six-year strategic plan identifies action items —tasks the Board and the Executive Director agreed to undertake in the next six years relative to areas of the Board's primary responsibilities. The Board is committed to advancing and improving the Board's performance of its duties through the following concrete actions.

- Seek legislative options to find an additional revenue stream. The Oregon Board of Naturopathic Medicine is funded solely by licensure fees and civil penalties. Due to the increase of costs of goods and services, legislatively mandated salary increases for Board members and Board staff, and inflation; the Board had to increase licensure and other fees on the approximately 1200 Naturopathic licensees in the last two biennium budget cycles to maintain the legislatively required six-month limitation.
- Collect and use available data from licensees to inform the Board where there are gaps in the current scope of practice, work with the Oregon Association of Naturopathic Physicians, National University of Naturopathic Medicine, and the Legislature to address, rectify and fill those gaps.

- Develop an outreach strategy to create an inclusive and equitable recruitment and application process that leads to a more diverse pool of applicants for licensure, as well as support and retain licensees that serve and practice in communities encompassing a wide geographic range and range of identities, e.g. race, ethnicity, gender, sexual orientation, disability, age, religion, residence - rural areas, tribal lands, economically distressed and disadvantaged communities.
- Revise “OAR 850-030-0030 Fitness for Licensure” through the rule making process, and internally revise the initial licensee application and renewal application to remove real and perceived barriers to licensure by eliminating unnecessary and irrelevant questions, especially those related to criminal history and not related to the practice of naturopathic medicine.

**2023-25 Two-Year Plan:** In April 2024, Board members and staff held a retreat to develop a six-year and two-year strategic plan. This two-year strategic plan identifies action items —tasks the Board and the Executive Director agreed to undertake in the near-term relative to areas of the Board’s primary responsibilities. The Board is committed to advancing and improving the Board’s performance of its duties through the following concrete actions.

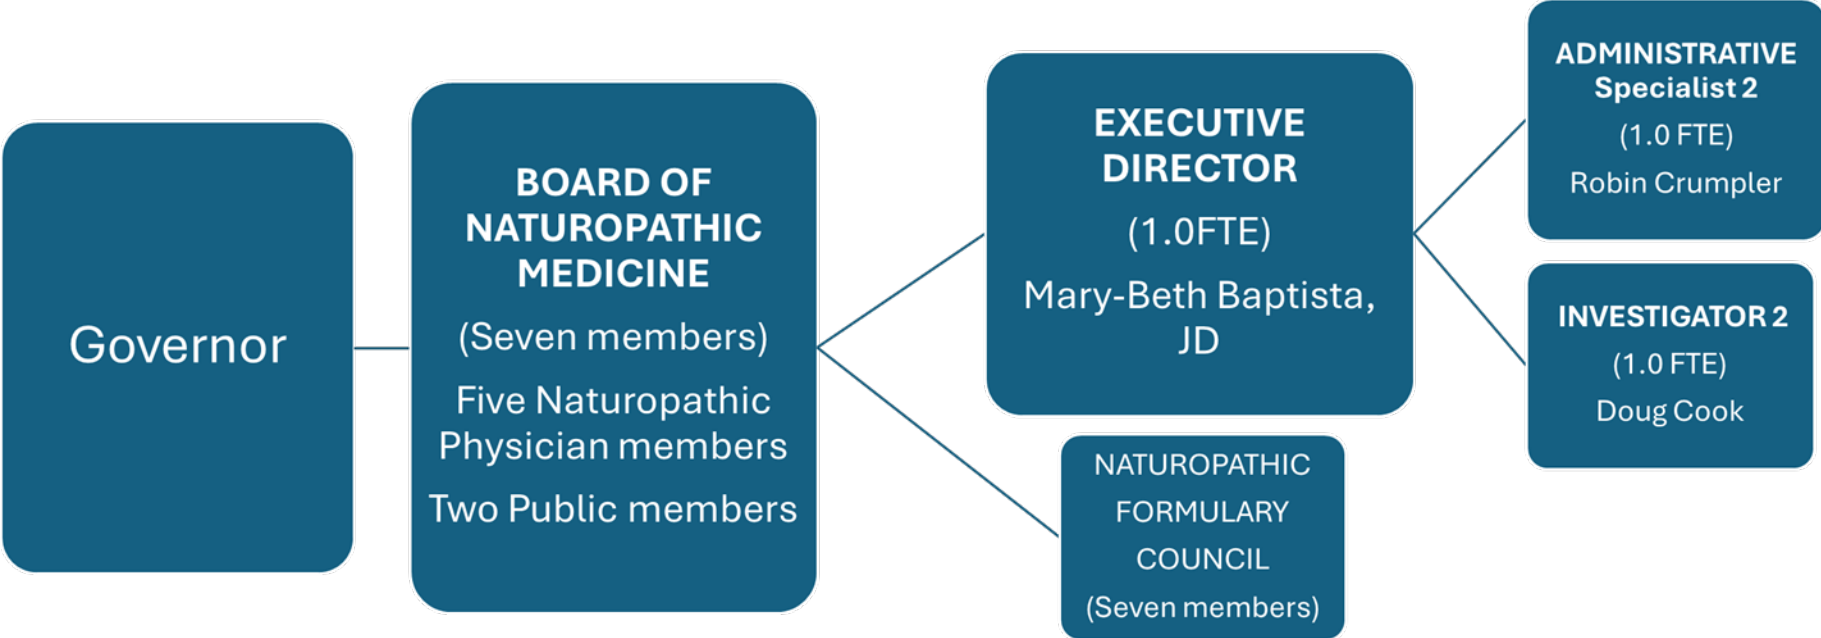

- The Board will pursue and advocate for the Board’s submitted legislative concept to revise the following statutes:
  - ORS 685.110 Grounds for discipline; penalties. The current grounds for discipline need to be updated to reflect the current state of technology, scope of practice and public expectations for transparency and accountability. The submitted legislative Board seeks to amend the statute to add clarity and relevance to the current grounds, ensuring licensees accountability and protecting the public.
  - ORS 685.225 Investigation of complaints and alleged violations; subpoenas. Grant the authority to require a licensee to undergo a mental, physical, chemical dependency or competency evaluation.
- Deepening licensees’ engagement and understanding of the Administrative Rule Making Process by identifying strategies to enhance community engagement around developing and creating Administrative Rules related to the practice of naturopathic medicine, including:
  - Communication using plain and inclusive language when conducting outreach regarding proposed changes to administrative rules and policies.

# Budget Narrative

---

- Listen and learn about the possible impact and barriers rules and policies have on licensees from underrepresented communities – with emphasis on licensees practicing outside of urban areas, specifically eastern Oregon, and rural areas.
- Create opportunities for licensee/Board engagement through in-person and virtual activities, including in-person “open house” forums, virtual “town hall” meetings, recorded webinars.
- Develop an approachable and efficient way to review licensee discipline investigations to determine whether to dismiss an investigation or find a licensee is in violation and should be disciplined, including:
  - Create a separate “complaint review” category for complaints, if uncontroverted by additional investigation would not lead to a statute or rule violation.
  - Establish a standing meeting prior to the bi-monthly Board meeting between the Board Chair, Executive Director, and when necessary, Board AAG, to preview investigations scheduled for Board review to flush out issues presented in the investigation and applicable rules to aid the Chair in facilitating efficient and focused Board deliberations.
  - Create a “Procedural Roadmap” tool for board members to better understand the issues presented in a complaint, and applicable rules, to guide their deliberation to make consistent dismissal and discipline decisions.
  - Create an Investigation / Discipline spreadsheet, a written record of past violations and subsequent discipline to ensure the Board issues consistent and defensible discipline with each new case.
  - Establish Quarterly meetings between the Board Chair and Executive Director regarding pending investigations, tracking cases, and updating the Board

2025-2027 OBNM ORGANIZATIONAL CHART

**PROGRAM DESCRIPTION**

The Oregon Board of Naturopathic Medicine, was established by the 1927 Legislature, currently operates under the authority of Oregon Revised Statutes, Chapters 685 and under Chapter 850 of the Oregon Administrative Rules. Per ORS 685.160-201, the Board of Naturopathic Medicine shall consist of seven members - five licensed naturopathic doctors and two public members, appointed by the governor for three-year terms. Statutes and Rules bestow the Board with the authority to choose and /or approve hiring and discipline

of the professional staff, as well as delegate administrative duties. Further, the Board enforces compliance with ORS and OAR through administrative rule making, statutory initiatives, continuing education, and investigations, discipline of licensees, and court actions. The statutes and rules set forth stringent requirements for education, degree, licensing, continuing education as well as the ability to impose discipline. The statutes and rules reflect the uniqueness of profession and have ensured high standards of accountability and expectations for the profession as a whole.

Oregon naturopathic doctors have one of the broadest scopes of practice in the country and are defined as primary care physicians in Oregon statute. Doctors who practice naturopathic medicine are trained to serve as primary care general practitioners who engage in the prevention, diagnosis, management, and treatment of both acute and chronic health conditions. Naturopathic physicians may perform minor surgery, practice natural childbirth, and administer injection therapies, giving Oregon ND's an expansive scope of practice and offer patients many options to address their healthcare needs. Naturopathic doctors are licensed to diagnose and treat disease, can perform or order diagnostic exams and tests.

Oregon naturopathic physicians may prescribe medication from one of the most comprehensive formularies in the nation, currently containing over 1700 drugs. Oregon NDs can prescribe any pharmaceutical needed for primary care. Naturopathic physicians are the only licensed health care providers with advanced training in drug-drug, drug-herb, and drug-nutrient interactions and/or complications. Currently, the Board professional staff consists of 3 FTE positions – an Executive Director, Board Investigator, and an Administrative Specialist 2. The Board and the Executive Director, along with the Board Investigator and Administrative Specialist work very closely with the Board members. One of the main responsibilities of the staff is to ensure that all investigations into licensee conduct are thorough and accurate. By and through the close working relationship between the Board and staff, the Board investigator is not only is keenly experienced to identify the complex issues present in an investigation of the conduct and practice of a Naturopathic Doctor.

## **How Accomplished:**

The purpose of the program is to protect the public by ensuring that practitioners meet and maintain high standards of practice.

- ❖ The program sets minimum requirements for licensees and administers tests to those who seek to become Naturopathic doctors.
- ❖ Licensees are required by Administrative Rule to obtain 32 hours of continuing education (CE) annually, including education in prescription drugs, pain management and ethics, cultural competence or suicide awareness.

# Budget Narrative

---

- ❖ Licensees practicing certain modalities of naturopathic medicine must complete specific training and education prior to engaging in that practice area.
- ❖ Complaints and investigations against licensees or persons operating without a license may result in disciplinary action. The Board may impose discipline ranging from additional education and training, civil penalty, suspension, or revocation of a naturopathic license.
- ❖ The Board conducts a Law Enforcement Database Services (LEDS) and FBI criminal history check of each applicant as an additional means of assuring public safety.

The Board's customers include practitioner applicants, licensed practitioners, businesses that employ licensed practitioners, accredited naturopathic colleges and universities, naturopathic medical health care consumers, state, and federal regulatory bodies (Oregon State Police, FBI), businesses that offer continuing education seminars, professional organizations (local and national), other state agencies and the public.

## **ENVIRONMENTAL FACTORS -**

- The Board is receiving a greater than ever number of inquiries from the public regarding naturopathic medicine as primary healthcare. Increasingly, Americans are seeking naturopathic physicians for their primary health care.
- There are currently seven accredited colleges, with new schools seeking accreditation through the Council on Naturopathic Medical Education (CNME).
- Educating the public on their rights is part of the Boards continued desire. Continuing to increase communication with the Licensees is important to maintaining the highest standards of care.
- The Formulary Council meets twice a year to assure the practitioners licensed in Oregon offer a high standard of care, and that public health and safety are upheld. They review the formulary rules and consider drugs for exclusion and inclusion in the scope of practice.

## **STRATEGIES**

In April 2024, Board members and staff held a retreat to develop a six-year and two-year strategic plan. These strategic plans identify action items —tasks the Board and the Executive Director agreed to undertake in the near and long terms relative to areas of the Board’s primary responsibilities. The Board identified concrete actions to achieve the goals set in the strategic plan and is committed to advancing and improving the Board’s performance of its duties.

In June 2024, the Board and Board staff developed and submitted a Diversity, Equity and Inclusion Plan. Diversity, equity, inclusion, is the practice of creating an environment that welcomes people from diverse backgrounds, with diverse identities and perspectives. To ensure everyone feels safe, supported, and respected. The Board plan establishes a comprehensive approach to develop a diverse, equitable and inclusive organizational culture. To achieve the plan goals, the Oregon Board of Naturopathic Medicine developed action-based strategies designed to reduce disparities and create a culture of inclusion. The plan identifies goals and objectives for increasing diversity through any systemic issues leading to inequity and expanding our equity lens to areas of the organization not previously considered.

## **CRITERIA FOR 25-27 BUDGET DEVELOPMENT**

In developing the 25-27 budget, the Board considered several factors in determining the revenues and expenditures.

Will it protect the public from potential harm by unlicensed persons?

Will it encourage better understanding of Oregon law for licensees?

Will it lead to better communication with the public?

Will it promote excellence in the practice of naturopathic medicine in Oregon?

Will it provide more efficiency in the daily operation of Board business?

**The Board is requesting in this budget only those activities that are essential in the regulation of Naturopathic Medicine**

## **POLICY PACKAGES**

## **LEGISLATIVE CONCEPTS**

The Board is presenting one Legislative Concept 833418-003: Update grounds for discipline to reflect the current state of technology and public expectations for transparency and accountability. Authority to require a licensee to undergo a mental, physical, chemical dependency or competency evaluation.

**LC 833418: #003:** The current grounds for discipline listed in ORS 685.110 need to be updated to reflect the current state of technology, scope of practice, and public expectations for transparency and accountability. The Board investigatory authority listed

## Budget Narrative

---

in ORS 685.225 is lacking an essential tool to protect public safety, specifically the authority to require, as part of a discipline investigation, a licensee to undergo a mental, physical, chemical dependency or competency evaluation when the board has objectively reasonable grounds to believe that the person is or may be unable to practice naturopathic medicine with reasonable skill and safety.

This legislative concept includes essential revisions to **ORS 685.110 Grounds for Discipline**, increasing transparency, accountability, enhancing public safety. Changes in the statute allow the Board to impose discipline for (but not limited to): making misleading, deceptive, or fraudulent representations when applying for licensure; making statements that the licensee knows, or with the exercise of reasonable care should know, are false or misleading, regarding skill or the efficacy or value of the medicine, treatment or remedy; engaging in sexual misconduct, failing to maintain confidentiality; and providing substandard care as a naturopathic physician through a deliberate or negligent act or failure to act, regardless of whether injury to the patient occurs. Further, adding statutory language to **685.225 Investigation of complaints and alleged violations; subpoenas**; gives the Board authority to require a licensee to undergo a mental, physical, chemical dependency or competency evaluation. Several similarly situated Boards, including but not limited to the Oregon Medical Board, Nursing Board, Pharmacy Board, Physical Therapy Board, Medical Imaging Board, and Veterinary Board have this authority.

**Fiscal Impact:** None

**General Limits on Use of Funds:**

The Board's budget must be used for the administration of ORS Chapter 685 and OAR Chapter 850.
