

Farmers Ending Hunger

The Problem EACH MONTH ON AVERAGE ABOUT 284,000 OREGONIANS EAT FROM AN EMERGENCY FOOD BOX. OF THESE 34% ARE CHILDREN.

THE SOLUTION!

Eastern Oregon resident Fred Ziari created the non-profit Farmers Ending Hunger in 2004 when he learned that Oregon was one of the hungriest states in the country. Farmers Ending Hunger gathers Oregon's agricultural resources to help feed the hungry. Local family farmers, ranchers and growers donate a portion of the food crops they raise. Help End Hunger in Oregon ... One acre at a time!

Farmers Ending Hunger begins with Oregon farmers and ranchers who raise hundreds of acres of produce, grain and cattle. With a little extra effort, each farmer donates an acre or two to feed the hungry and suddenly our network has thousands of tons of fresh food!
