

Hemp Program

635 Capitol St NE Salem, OR 97301-2532 503.986.4652 | Oregon.gov/ODA *Updated 1/2022*

Crop destruction?
Submit a
cannabis waste &
disposal report
for approval.

Apply & ReceiveODA hemp grower license.

START HERE

Plant & Grow
hemp
in licensed areas
only after
license is received.

Register

for next year and **report** the amount of acreage/square feet grown along with the amount of hemp harvested.

Confirm

that your sample request form, on-site sampling form, and the pre-harvest test report were sent to ODA and **keep** copies for yourself.

Hemp Grower Responsibilities

Growers must
register their farm
with their local USDA
Farm Services
Agency office.
https://oda.fyi/
USDAOR

Harvest & Sell

to a hemp handler for further processing if the if the pre-harvest test passes.

Schedule
hemp
sampling & testing
with an approved lab.
Harvest must be
complete within
30 days from the
date of
sampling.

If you fail your pre-harvest test, you have the option to retest, resample, or destroy.

Find details on what to do if you fail a test at: https://oda.direct/FailedHempTest

You must use an accredited and licensed lab to do your required pre-harvest testing.
Find a list of labs at:
https://oda.direct/HempTestingLabs
