

The following is a list put together by the Oregon Department of Agriculture (ODA). The list is intended to help guide residents and businesses to resources that can handle ash, olive, and white fringe tree materials in accordance with the temporary quarantine adopted in Washington County. **ODA will continue to add and update this list as more businesses are identified.**

-It is important to confirm that any business contacted, on or off this list, knows about the temporary quarantine, and can properly handle the wood materials.
