

Oregon OSHA's Employer Provided Housing

Renée Stapleton – Acting Administrator

Department of Consumer
and Business Services

Oregon OSHA

Occupational Safety and Health Act:

654.010 Employers to furnish safe place of employment. Every employer shall furnish employment and a place of employment which are safe and healthful for employees therein, and shall furnish and use such devices and safeguards, and shall adopt and use such practices, means, methods, operations and processes as are reasonably necessary to render such employment and place of employment safe and healthful, and shall do every other thing reasonably necessary to protect the life, safety and health of such employees.

Labor camps are included in the definition of “place of employment”

Oregon OSHA

437-004-1120 Agricultural Labor Housing and Related Facilities.

- Rules apply to:
 - Any place, or area of land, where there are living areas, manufactured or prefabricated homes or dwellings or other housing provided by a farmer, farm labor contractor, agricultural employer or other person **in connection with the recruitment of workers on an agricultural establishment.**
 - These rules apply to housing given to, rented, leased to or otherwise **provided to employees for use while employed and provided or allowed either by the employer, a representative of the employer or a housing operator.**

Oregon OSHA
