

Kickstart your school year with a virtual, three-day Early Indicator and Intervention Systems (EIS) intensive!

- August 13, 9am-noon: *Shared Vision, Mindsets, and Equitable Approach to Data*
- August 14, 9am-noon: *Supports, Systems and Structures*
- August 15, 9am-noon: *Foundations for Systems Change*

Afternoons can be used for additional planning time, with facilitators available for consultation.

[Sign up here!](#) Each team member needs to register to attend.

---

The Early Indicator and Intervention Systems (EIS) professional learning opportunities and technical assistance are available at no cost to all districts, charter schools, and other public schools in Oregon. To learn about more offerings available during the 24-25 school year, please see the [EIS Learning Series flyer](#).
