

2025 LPGT and LOM Video Series

The Oregon Department of Education's Office of Education Innovation and Improvement (EII) is in the process of releasing a series of informational videos on Longitudinal Performance Growth Targets (LPGTs) and Local Optional Metrics (LOMs) in early 2025. The purpose of the video series is to help districts navigate the process and set realistic, ambitious goals.

Videos will be pre-recorded. Two videos will be posted each month beginning in February and running through May, for a total of eight videos. Below is an outline of the planned video series. This document will be updated periodically to include links to the videos as they are posted.

Currently Available:

1. [What is LPGT Co-Development?](#)
2. [Overview of the Co-Development Process](#)

Coming in Late February:

3. **Navigating Smartsheet for LPGT Co-Development**
4. **Data Literacy for LPGT Co-Development**

Coming in Late March:

5. **Setting Baseline and Stretch Targets**
6. **Setting Gap Closing Targets**

Coming in Late April:

7. **Local Optional Metrics**
8. **Evaluating Progress and Linking to Investments**

EII is also hosting a series of office hours sessions where we will have co-development experts on hand to help answer questions about the videos. You can access the office hours sessions by clicking the links below or joining by phone (see phone joining information on the next page).
