**Dr. Charlene Williams**  
Director

**OREGON DEPARTMENT OF EDUCATION**  
255 Capitol St NE  
Salem, Oregon 97310

[www.oregon.gov/ODE](http://www.oregon.gov/ODE)

It is a policy of the State Board of Education and a priority of the Oregon Department of Education that there will be no discrimination or harassment on the grounds of race, color, sex, marital status, religion, national origin, age, sexual orientation, or disability in any educational programs, activities or employment. Persons having questions about equal opportunity and nondiscrimination should contact the Director at the Oregon Department of Education/255 Capitol St NE Salem, OR 97310/Phone: 503-947-5600/Fax: 503-378-4772

This directory is produced at least annually by the Communications office. Revisions to the directory are solicited in May of each year which allows time for the directory to be compiled and posted on the web by early Fall. The directory can be accessed on our website [www.oregon.gov/ODE](http://www.oregon.gov/ODE).

## Message from the Director

“I have dedicated my life to education because I’ve seen firsthand how a positive student-teacher relationship can set a child on a successful path for the rest of their life. First and foremost, my goal is to support students in every corner of the state so that they have the same chance to succeed. I recognize the significance of my appointment to this role and the immense amount of work we have ahead of us. I am just beginning on a journey to build partnerships with students, educators and families across Oregon that advance equity and student success.”

Oregon has 197 school districts and almost 1,300 public and charter schools. As we work to streamline education and improve the opportunities and outcomes for students, building strong connections between schools, districts and the broader community is vital. Only through strong partnerships can we maintain the high expectations and high levels of support that lead to academic excellence for all students.

### The Oregon School Directory

I hope you will find The Oregon School Directory helpful for building important connections. The Directory is a compilation of phone numbers, addresses, emails of key staff in all public schools and districts across the state. It also includes information about private schools and other educational institutions, along with Oregon Department of Education (ODE) staff contacts. For more information on ODE staff organized by topic, please see our [ODE Yellow Pages](#).

### How this Directory is Updated

This Directory is regularly updated throughout the school year; however, we rely on our partners to help us keep this contact information current. **If you see out-of-date or inaccurate information for your school, please take the time to let us know by emailing us at: [ode.institutions-request@ode.oregon.gov](mailto:ode.institutions-request@ode.oregon.gov).** If you have a major institution change, such as adding or removing an institution from our database, please complete this [form](#) and send it to the email address above. You can also use the [Institutions Lookup Tool](#) on our website to check what information we have in our database for your institution.

Thank you for helping us keep the Directory as accurate and useful as possible.

## PRIVATE ALTERNATIVE ELEMENTARY & SECONDARY SCHOOLS

---

Non-public education is recognized as a vital part of Oregon's educational system. Parents have the option of providing their child's education through Private or Home School. Private schools do not have to register with the State of Oregon, unless they are contracting with public school district for services. Although private pre-12 schools no longer register, the process for Child Care Licensing remains in effect.
